Hour Workweek Never Work Another Day English Edition:

Farm Index, 1967 **Redeeming Time** William A. Mirola, 2014-12-30 During the struggle for the eight hour workday and a shorter workweek Chicago emerged as an important battleground for workers in the entire civilized world to redeem time from the workplace in order to devote it to education civic duty health family and leisure William A Mirola explores how the city's eight hour movement intersected with a Protestant religious culture that supported long hours to keep workers from idleness intemperance and secular leisure activities Analyzing how both workers and clergy reworked working class religious cultures and ideologies into strategic and rhetorical frames Mirola shows how every faith based appeal contested whose religious meanings would define labor conditions and conflicts As he notes the ongoing worker employer tension transformed both how clergy spoke about the eight hour movement and what they were willing to do until intensified worker protest and employer intransigence spurred Protestant clergy to support the eight hour movement even as political and economic arguments eclipsed religious framing A revealing study of an era and a movement Redeeming Time illustrates the potential and the limitations of religious culture and religious leaders as forces in industrial reform *Working Mother*, 2000-06 The magazine that helps career moms balance their personal and professional lives *Congressional Record* United States. Congress, 1997 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board, 2008 **Class** Stanley Aronowitz, Michael J. Roberts, 2017-09-25 Using an innovative framework this reader examines the most important and influential writings on modern class relations Uses an interdisciplinary approach that combines scholarship from political economy social history and cultural studies Brings together more than 50 selections rich in theory and empirical detail that span the working middle and capitalist classes Analyzes class within the larger context of labor particularly as it relates to conflicts over and about work Provides insight into the current crisis in the global capitalist system including the Occupy Wall Street Movement the explosion of Arab Spring and the emergence of class conflict in China **Behind the Label** Charles Kernaghan, 1998 Discusses long hours and working conditions of employees working in China including of overseas large brand name companies **Dystopia's Provocateurs** Edyta Materka, 2017-10-09 Oral histories on life in the eastern German region annexed by Poland following World War II Toward the end of the Second World War Poland's annexation of eastern German lands precipitated one of the largest demographic upheavals in European history Edyta Materka travels to her native village in these Recovered Territories where she listens carefully to rich oral histories told by original postwar Slavic settlers and remaining ethnic Germans who witnessed the metamorphosis of eastern Germany into western Poland She discovers that

peasants workers and elites adapted war honed informal strategies they called kombinacja to preserve a modicum of local agency while surviving the vicissitudes of policy formulated elsewhere from Stalinist collectivization to the shock doctrine of neoliberalism Informality has taken many forms as a way of life a world view an alternate historical text a border memory and a means of magical transformation during times of crisis Materka ventures beyond conventional ethnography to trace the diverse historical literary and psychological dimensions of kombinacja Grappling with the legacies of informality in her own transnational family Materka searches for the kombinator within on the borderlands and shares her own memories of how the Polish diaspora found new uses for kombinacja in America Rare and exceptionally well researched analysis of an invisible practice Alena Ledeneva University College London Materka has produced an eloquently written exciting and meticulously analyzed ethnographic history that marks an alternative to the vast majority of strictly archival based historical literature on the German Polish borderlands Within the field of Polish history this book is also an important contribution as the first extensive work on the critical role of informality in the politics society and economy of People s Poland H Poland By concentrating on the local strategies of combination in the areas of uprootedness Materka has made an interesting and valuable contribution to our knowledge of human behavior References and the use of Polish words for important concepts are exemplary H er collection of narratives provides food for thought on the relation between formal regulation and human ingenuity Baltic Worlds [Monthly Labor Review](#) ,1975 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews [The Terror of the Machine](#) Devon G. Peña,2014-10-14 Born of thirteen years of field research this interdisciplinary work explores the complex intersections of technology class gender and ecology in the transnational milieu of Mexico s maquiladoras foreign owned assembly plants located along the U S border Devon Pe a examines workplace and community struggles from the perspective of the women who work in the maquiladoras He describes the workers struggles for workplace democracy social justice and sustainable development He also observes the circulation of struggle from the factory to the community highlighting the efforts to establish worker owned cooperatives in the border region during the 1970s and 1980s Female maquila workers are typically portrayed as passive apolitical and easily exploited This book however presents an opposing view investigating the subaltern life of the shop floor the workers informal methods of resistance to hazardous conditions sexual harassment and managerial tyranny Using survey research oral history discourse analysis and site ethnography the author develops a cogent critique of labor process theory a critique grounded on his extensive study of actual workplace politics in the maquiladoras The Terror of the Machine is a trenchant analysis of the political cultural and environmental effects of maquila industrialization and an eloquent and persuasive call for alternatives in the direction of ecologically sustainable and culturally appropriate modes of development
