How George Became Naked:

How George Became Naked Donald Balla, 2015-01-19 George finds himself naked in a fantastic garden where he reads God's first contract with mankind a wonderful deal with only one sin do not eat of the Tree of Knowledge of Good and Evil A voice startles him Aargh Excuse me I'm naked Hello Naked I'm Eve and this is Adam Thus begins George's joyous and jarring adventures through God's four contracts with us George defends Christianity's endorsement of the knowledge of good and evil so well that he talks Adam and Eve into eating from the forbidden tree He bungles his attempt at rescuing Isaac from Abraham's plan for human sacrifice only to have God declare Abraham righteous Furious with God for changing the rules of right and wrong George champions the Law as a way to finally formalize good so he can do it and evil so he can shun it George's romance with the law is short lived especially once he discovers that his account shows him so insanely in debt Desperate and terrorized at the idea that the Day of Reckoning was coming due George yells out Crucify him when he realizes Jesus's death is the only way to avoid the terrible consequences of the Law Good news George gets a copy of the new contract It is a gift contract meaning he pays nothing and gets tremendous benefits Most important one of the benefits is the return to innocence During these adventures George meets a cast of delightful characters Jerry who arranges pig pen experiences for Papa's kids Martha whose restaurant serves Secret for free Eve's son Cain the woman with the veil the man with the book the waitress with one eye larger than the other and many others Not delightful is his encounter with Satan on the roof of the temple More practical than most books with a Good News gooder than you might have ever realized How George Became Naked is a book that is easy to get into hard to put down A downloadable study guide is available without cost at the BallaBooks.com website How does George become Naked Adam and Eve call him Naked in the first chapter The moniker sticks to George throughout the book George hates the name He believes it is a name of shame Only later in the book does he realize it is a name of innocence The final chapter well you have to read it [The Long Shadow of Sexual Abuse](#) , Calvin A. Colarusso, 2010-08-06 The Long Shadow of Sexual Abuse Developmental Effects across the Life Cycle has one simple purpose to describe the profound interferences with normal developmental processes that occur in every subsequent developmental phase throughout life as the result of chronic child sexual abuse Through the presentation of detailed case histories of individuals ranging in age from five to the early sixties Colarusso convincingly demonstrates that the effects are life long Sections on normal development for childhood adolescence young and middle adulthood are followed by case histories arranged chronologically according to the age of the victims at the time they were evaluated Then the effects of the sexual abuse are traced through subsequent developmental phases to the chronological present Colarusso illuminates how the passage of time actually increases the pathological effects of chronic child sexual abuse due to interferences with the developmental tasks of adolescence and adulthood *At the Pulpits of Gloucester: The Sermons of George Whitefield* , **The Works of the Reverend George Whitefield, M.A ...** George Whitefield, 1772 *The Works of*
