

So, what to do, when you are not local and come from abroad? I strongly suggest looking for a parking house in town. The thing is that since the m-parking was introduced, parking meters have become extinct. There are really like 3-4 meters for the whole town. You'll find yourself with a ticket before you find one to pay for parking.

Before I am going to tell you about parking houses, let me tell you that sleeping areas are free zone while the centre with it's surrounding areas are charged zones. In addition, parking on working days after 1 PM, Saturday after 3PM and all Sunday's free in most parts in Tbilisi, but watch out for the signs as well for specific area.

Now, the center of Tbilisi has many parking houses and areas. While the areas, unlike with automatic toll systems, are basically meant for m-parking, the houses are really straightforward. They all have 24 hour availability and are fairly clearly marked.

There are two easiest to use - one is the Visslavskii and under the Visslavskii bridge. The last one is the newest, close to Old Town and really spectacular. The thing is that they started to excavate the land and build a parking house, but as it turns out, really old town walls were just under the ground and now they are on display there. You actually park in the middle of these walls. I really love it, and it's not as expensive as some other houses.

Parking in Tbilisi in parking houses costs around 25 GEL per hour. And if there that you'll take your chances with the officials, that's again. The parking fines are a considerable income to the town as they do their best in collecting this.
