James A. Shymansky,1988 Indigenous Storywork Jo-Ann Archibald,2008-06-01 Indigenous oral narratives are an important source for and component of Coast Salish knowledge systems Stories are not only to be recounted and passed down they are also intended as tools for teaching Jo ann Archibald worked closely with Elders and storytellers who shared both traditional and personal life experience stories in order to develop ways of bringing storytelling into educational contexts Indigenous Storywork is the result of this research and it demonstrates how stories have the power to educate and heal the heart mind body and spirit It builds on the seven principles of respect responsibility reciprocity reverence holism interrelatedness and synergy that form a framework for understanding the characteristics of stories appreciating the process of storytelling establishing a receptive learning context and engaging in holistic meaning making **Hidden in Plain Sight**

Cora J. Voyageur,David Newhouse,Dan Beavon,2011-10-08 The acclaimed and accessible Hidden in Plain Sight series showcases the extraordinary contributions made by Aboriginal peoples to Canadian identity and culture This collection features new accounts of Aboriginal peoples working hard to improve their lives and those of other Canadians and serves as a powerful contrast to narratives that emphasize themes of victimhood displacement and cultural disruption In this second volume of the series leading scholars and other experts pay tribute to the enduring influence of Aboriginal peoples on Canadian economic and community development environmental initiatives education politics and arts and culture Interspersed are profiles of many significant Aboriginal figures including singer songwriter and educator Buffy Sainte Marie politician Elijah Harper entrepreneur Dave Tuccaro and musician Robbie Robertson Hidden in Plain Sight continues to enrich and broaden our understandings of Aboriginal and Canadian history while providing inspiration for a new generation of leaders and luminaries *The Politics of Environmental Education Centres* Anne Marie Ross,2025-05-02 This book

juxtaposes a representation of environmental education centres around the globe with centres within the New South Wales Department of Education in Australia As terminology shifted from nature study and conservation education to environmental education then environmental and sustainability education within sustainable development the centres embodied and encompassed this evolution The book traces the centres journeys through the phenomenon of the 1970s growth in socially conscious governance to 1980s 1990s public managerialism to the tightening tentacles of capitalism The complexity of education as a socio political endeavour is made explicit Themes including the changing dynamics of caring for the environment and bureaucratic and political manoeuvring in addition to the effects of activism and globalisation are viewed through a centre lens as the centres survive and thrive in ever increasing neoliberal times The book will appeal to teachers

academics and bureaucrats interested in the history and politics of environmental education Using Children's Literature Across the Curriculum Catherine M. O'Callaghan, 2011 This resource uniquely offers preservice and inservice teachers templates for using quality children's literature to implement six themes across grades K-8 The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion analysis and problem solving across the grades Using Children's Literature Across the Curriculum provides teachers with a guide to using multilayered texts to facilitate students' attainment of critical literacy It is designed to be a supplemental text to guide teachers in designing literacy instruction The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math science technology and social studies Teachers are shown how to incorporate family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy These models can be adjusted to fit the reading level of the students as teachers become more familiar with the text's structure and their students' needs

What Effective Schools Do Lawrence W. Lezotte, Kathleen McKee Snyder, 2011-09-15 This guide helps educators implement a continuous school improvement system through application of the seven correlates of effective schools The authors discuss each correlate update the knowledge base and incorporate practical ideas from practitioners in the field A comprehensive description of practices enables educators to build and sustain a school culture that accommodates the learning expectations and needs of all students **Research in Early Childhood Education for Sustainability** Julie Davis, Sue Elliott, 2014-06-20 Sustainability is a global issue that urgently needs addressing and for which the most serious consequences are for children and future generations This insightful research text tackles one of the most significant contemporary issues of our times the nexus between society and environment and how early childhood education can contribute to sustainable living By offering international and multidisciplinary research perspectives on Early Childhood Education for Sustainability each chapter explores and investigates the complex topic of sustainability and its relationship to early childhood education A particular emphasis that runs through this text is young children as empowered citizens capable of both contributing to and creating change for sustainability The chapter authors work from or are aligned with a transformative education paradigm that suggests the socio-constructivist frameworks currently underpinning Early Childhood Education require reframing in light of the social transformations necessary to address humanity's unsustainable unjust and unhealthy living patterns This research text is designed to be provocative and challenging in so doing it seeks to encourage exploration of current understandings about Early Childhood Education for Sustainability offers new dimensions

for more deeply informed practice and proposes avenues for further research in this field Journeys Through Our Classrooms Denis Udall, Amy Mednick, 2000 **Collecting for the Curriculum** Amy J. Catalano, 2015-09-28 If you are a librarian charged with collecting curriculum materials and children's literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K-12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children's literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials *Planting the Seeds of Algebra, PreK-2* Monica Neagoy, 2012-04-20 The subject of algebra has always been important in American secondary mathematics education However algebra at the elementary level has been garnering increasing attention and importance over the past 15 years There is consequently a dire need for ideas suggestions and models for how best to achieve pre algebraic instruction in the elementary grades *Planting the Seeds of Algebra* will empower teachers with theoretical and practical knowledge about both the content and pedagogy of such instruction and show them the different faces of algebra as it appears in the early grades The book will walk teachers of young children through many examples of K-6 math lessons and unpack step by step the hidden connections to higher algebra After reading this book teachers will be better equipped **Transitions to School - International Research, Policy and Practice** Bob Perry, Sue Dockett, Anne Petriwskyj, 2013-11-04 This book provides an important compilation and synthesis of current work in transition to school research The book focuses strongly on the theoretical underpinnings of research in transition to school It outlines key theoretical positions and connects those to the implications for policy and practice thereby challenging readers to re conceptualize their understandings expectations and perceptions of transition to school The exploration of this range of theoretical perspectives and the application of these to a wide range of research and research contexts makes this book an important and innovative contribution to the scholarship of transition to school research A substantial part of the book is devoted to detailed examples of transition to school practice These chapters provide innovative examples of evidence based practice and contribute in turn to practice based evidence The book is also

devoted to considering policy issues and implications related to the transition to school It records a genuine collaborative effort to bring together a range of perspectives into a Transition to School Position Statement that will inform ongoing research practice and policy The collaborative research policy and practice based development of this position statement represents a world first **Students Mentoring Students in K-8 Classrooms** Diane Vetter, 2023-06-07 Today s students bring with them to the classroom a wide variety of understandings and ways of knowing Sharing this richness of understanding as well as students unique ways of looking at challenges solving problems and interpreting the world adds an incredible depth and meaning to all types of classroom learning This thoughtful guide offers authentic meaningful and purposeful activities that will lead students to share their thinking and to support and mentor each other emotionally socially and academically It explores numerous ways to create opportunities for shared learning mentoring partnerships and expanding student horizons *The Kindergarten-primary Magazine* ,1911
