### **Julian Assange: The Unauthorised Autobiography**

Julian Assange, 2011-09-22 In December 2010 Julian Assange signed a contract with Canongate Books to write a book part memoir part manifesto for publication the following year At the time Julian said I hope this book will become one of the unifying documents of our generation In this highly personal work I explain our global struggle to force a new relationship between the people and their governments In the end the work was to prove too personal Despite sitting for more than fifty hours of taped interviews discussing his life and the work of WikiLeaks with the writer he had enlisted to help him Julian became increasingly troubled by the thought of publishing an autobiography After reading the first draft of the book at the end of March Julian declared All memoir is prostitution In June 2011 with thirty eight publishing houses around the world committed to releasing the book Julian told us he wanted to cancel his contract We disagree with Julian s assessment of the book We believe it explains both the man and his work underlining his commitment to the truth Julian always claimed the book was well written we agree and this also encouraged us to make the book available to readers And the contract By the time Julian wanted to cancel the deal he had already used the advance money to settle his legal bills So the contract still stands We have decided to honour it and to publish This book is the unauthorised first draft It is passionate provocative and opinionated like its author It fulfils the promise of the original proposal and we are proud to publish it Canongate Books September 2011

Nathaniel Hawthorne and his wife, a biography, by Julian Hawthorne Nathaniel Hawthorne, 1884 **Doctor Thorne TV Tie-In with a foreword by Julian Fellowes** Anthony Trollope, Julian Fellowes, 2016-03-03. Now adapted for ITV by Julian Fellowes. Doctor Thorne is the compelling story in which rank, wealth, and personal feeling are pitted against one another. The squire of Greshamsbury has fallen on hard times, and it is incumbent on his son Frank to make a good marriage. But Frank loves the doctor's niece Mary Thorne, a girl with no money and mysterious parentage. He faces a terrible dilemma: should he save the estate or marry the girl he loves? Mary too has to battle her feelings, knowing that marrying Frank would ruin his family and fly in the face of his mother's opposition. Her pride is matched by that of her uncle, Dr. Thorne, who has to decide whether to reveal a secret that would resolve Frank's difficulty or to uphold the innate merits of his own family heritage. The character of Dr. Thorne reflects Trollope's own contradictory feelings about the value of tradition and the need for change. His subtle portrayal and the comic skill and gentle satire with which the story is developed are among the many pleasures of this delightful novel. **A Dictionary of Christian Biography, Literature, Sects and Doctrines** William Smith, Henry Wace, 1882 **A Dictionary of Christian Biography, Literature, Sects and Doctrines** Sir William Smith, 1882 **Julian Barnes from the Margins** Vanessa Guignery, 2020-03-05.
