June 2016 Newsletter

Ramadan Kareem

Dear Parents,

We have lots of activities and games to enjoy as we prepare to slide into summer vacation. While enjoying a wonderful summer holiday let's also remember to play safely in the hot weather by wearing hats and sunscreen, staying in the shade, and drinking lots of water!

Last month we were delighted to learn about things in the garden, dinosaurs, and singing nursery songs. We especially enjoyed watching our graduates walk across the stage to symbolize moving forward in their learning journeys. Their new chapter is filled with big school adventures, and the Simba Family wishes them all the best of luck and fond farewells!

PLEASE NOTE: The Learning Journeys will be distributed the week of June 12th. Please arrange a time to conference with your teacher to discuss your child's progress.

math and laying the foundation for learning success **Resources in Education** ,2001-04 *The New Woman's Survival*
Catalog Kirsten Grimstad,Susan Rennie,1973 Communications Art Self health Children Learning Self defense Work and
money Getting justice Building the movement **Social Work Ethics** Eileen Gambrill,2017-05-15 This collection of essays
highlights ethical issues in social work which are often overlooked as well as recurring clashes that influence how they play
out for example among different values and related moral judgements A wide range of ethical issues are addressed such as
the types of technologies incorporated into social work issues raised by the common position of social workers as double
agents required to carry out state mandates while also honoring obligations to clients and issues concerning the distribution
of scarce resources These topics are integrally related to other often neglected concerns such as harming in the name of
helping the ethics of claims making regarding what is true and what is not and related concerns regarding empowerment and
social justice This collection which includes essays from an array of professions and disciplines is designed to bring these
neglected topics to the attention of readers and to offer suggestions for addressing them in a manner that is faithful to
obligations described in social work codes of ethics *Engaging Young Children in Museums* Sharon E Shaffer,2016-06-16
What does a museum do with a kindergartner who walks through the door The growth of interest in young children learning
in museums has joined the national conversation on early childhood education Written by Sharon Shaffer the founding
Executive Director of the innovative Smithsonian Early Enrichment Center this is the first book for museum professionals as
well as students offering guidance on planning programming for young children This groundbreaking book Explains the
various ways in which children learn Shows how to use this knowledge to design effective programs using a variety of
teaching models Includes examples of successful programs tested activities and a set of best practices Art Digest
