Max Lucado, 2012-08-27 One day in the life of Christ Call it a tapestry of turmoil A noisy pictorial in which the golden threads of triumph knot against the black frazzled strings of tragedy Call it a symphony of emotions A sunrise to sunset orchestration of extremes One score is brassy with exuberance the next moans with sorrow Whatever you call it call it real Author Max Lucado calls it the second most stressful day in the life of our Savior Before the morning becomes evening Jesus has reason to weep then run then shout the curse then praise then doubt Within a matter of moments his world is turned upside down Sound familiar The pink slip comes The doctor calls The divorce papers arrive The check bounces The life that had been calm is now chaotic The world that had been serene is now stormy Assailed by doubts Pummeled by demands If you've ever wondered if God in heaven can relate to you on earth then read and re read this pressure packed day in the life of Christ It is the only day aside from the crucifixion that all four gospels recorded Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel And you will be assured that within every torrent there is a calm center a place you can stand when your world gets windy The Eye of the Storm **Fearless** Max Lucado, 2012-02-06 Fear may fill the world but does not have to fill your heart Each sunrise seems to bring fresh reasons for fear Layoffs at work Slowdowns in the economy Health scares Division Oversized and rude fear herds us into the prison of our anxious minds and keeps us from the freedom Christ offers New York Times bestselling author and pastor Max Lucado invites us to turn to faith not fear as our default reaction to the threats of life In this book Max will help you Find freedom from the fear of insignificance Take comfort that the Lord will never leave your side Unleash your worries and become filled with peace Today learn to trust more and fear less
