Prince of Wolves, Blood Rites, Just One Drop Quinn Loftis, 2019 Begin the award winning Grey Wolves Series with the first three books Prince of Wolves Blood Rites and Just one Drop The Grey Wolves Series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won't be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females The ensuing chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates Resounding Silence Quinn Loftis, 2016-12-28 The events chronicled herein occur after the destruction of Reyaz the Warlock which was recounted in Sacrifice of Love A

few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in Den of Sorrows forces the elves fae and werewolves to go to battle once again Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Thalion is loyal to his people above all else As the prince of the Elves it is his duty to protect them His loyalty has never been in question But then he s never met anyone like Cyn before The destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together

Surrender Quinn Loftis, 2015-09-15 So I just might die a virgin after all That s what sucks about the end of the world you just don t plan for it and once it s upon you it s too late It s been a few weeks since I ve had time to actually write anything down which sucks because more has happened in my life in the past three weeks than it has in all my seventeen soon to be eighteen years So I m going to give you a quick recap because my diary is totally a living breathing thing and really cares not Basically we are on the run from Lorsan the dark elf king while also looking for the Book of the Elves which he stole butt head while at the same time attempting to shut down the sale of Rapture a liquid drug the dark elves devised to enslave the human race If you ask me their goals are a little lofty but then nobody asked me and therein lies their problem But our problems don t end there On top of trying to get Rapture out of the human realm and taking out Lorsan we also have to rescue Cassie s parents Apparently there s a dark elf who is delusional and believes Cassie is his Chosen reincarnated So naturally he thought kidnapping her parents would win her heart Loser What happen to love notes and flowers Anyways now you re caught up roughly The point is life is about as jacked up as it can get at the moment I would like to be able to give some Braveheart worthy speech and say that we totally got this but honestly I have no idea if we can pull this off Elora

The Burning Claw Quinn Loftis, 2016-09-10 Jacques mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families But something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital It wasn t Fane he would be with her on the other side she knew that If she died he died too and he wouldn t have it any other way She could feel Peri s presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacques survival Jacques was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn t know how or where and it was tearing him up inside The young

boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance
