**Estate Landscapes : Design, Improvement and Power in the Post-medieval Landscape** Jonathan Finch, Katherine Giles, 2007 An exciting study of the social and landscape phenomena of the Estate Landscape In recent years the post medieval landscape has attracted new interest from archaeologists historians and geographers concerned to understand the development of the historic environment One of the key structuring elements within these landscapes from the sixteenth century until the aftermath of the Second World War was undoubtedly the landed estate However it was not until the late nineteenth century that any systematic attempt to quantify the presence of these estates was undertaken prompted by the move to democratic reform and the persistent link between political power and landed wealth Yet the importance of the landed estate in structuring power social relationships and both agricultural and industrial production was not limited to the

UK From the eighteenth century the link between the UK estates and patterns of landholding and exploitation in the colonies became increasingly complex and recursive This volume explores the relationships between the form and structure of British and Colonial estate landscapes their agricultural management and the political structures and social relationships they reproduced The articles address themes as diverse as the creation and development of the agrarian landscape improvement ornamental landscapes and gardens and estate architecture Overall it highlights the wealth and diversity of existing scholarship and suggests new directions for post medieval archaeology in this dynamic area of research *Timber Home Living* ,2002-11-18 Timber Home Living introduces and showcases the beauty and efficiency of timber homes to an eager custom home buying audience The magazine s inspiring photography informative editorial quality advertising and essential resources involves and encourages readers to pursue their dream home **Building Age** ,1928 *Timber Home Living* ,2010-08 Timber Home Living introduces and showcases the beauty and efficiency of timber homes to an eager custom home buying audience The magazine s inspiring photography informative editorial quality advertising and essential resources involves and encourages readers to pursue their dream home *Log Home Living* ,1994-02 Log Home Living is the oldest largest and most widely distributed and read publication reaching log home enthusiasts For 21 years Log Home Living has presented the log home lifestyle through striking editorial photographic features and informative resources For more than two decades Log Home Living has offered so much more than a magazine through additional resources shows seminars mail order bookstore Web site and membership organization That s why the most serious log home buyers choose Log Home Living **Designing the British Post-War Home** Fiona Fisher,2015-04-10 In Designing the British Post War Home Fiona Fisher explores the development of modern domestic architecture in Britain through a detailed study of the work of the successful Surrey based architectural practice of Kenneth Wood Wood s firm is representative of a geographically distinct category of post war architectural and design practice that of the small private practice that flourished in Britain s expanding suburbs after the removal of wartime building restrictions Such firms which played an important role in the development of British domestic design are currently under represented within architectural histories of the period The private house represents an important site in which new spatial material and aesthetic parameters for modern living were defined after the Second World War Within a British context the architect designed private house remained an important vehicle for the investigation of architectural ideas by second generation modernist architects and designers Through a series of case study houses designed by Wood s firm the book reconsiders the progress of modern domestic architecture in Britain and demonstrates the ways in which architectural discourse and practice intersected with the experience performance and representation of domestic modernity in post war Britain *Timber Home Living* ,1993 Timber Home Living introduces and showcases the beauty and efficiency of timber homes to an eager custom home buying audience The magazine s inspiring photography informative editorial quality advertising and essential resources involves and encourages readers to pursue

their dream home      The Modern Landscapes of Ted Smyth Rod Barnett, Jacqueline Margetts, 2017-01-06 The modern period in landscape architecture is enjoying the fascinated appreciation of scholars and historians in Europe and the Americas and new themes new subjects and new appraisals are appearing This book contributes to the conversation by focusing on the work of a singular designer who spent his entire career in a province of the North Island of New Zealand Ted Smyth practiced an assured landscape modernism without ever seeing the designs of his forebears or his contemporaries working in the UK Europe and the United States Designing in isolation from the mainstream of modernism and a little after its high tide Smyth produced a series of gardens that provoke a revaluation of the diffusionist model of influence The book explains and describes the evolution of Smyth's design vocabulary and relates it to the development of tropical landscape modernism in other Asia Pacific sites It shows how a culture of garden modernism can be generated from within a particular locale and highlights Smyth's engagement with M ori design traditions in search of a specific expression of the high modern essentialism of place      Timber Home Living , 2009-12 Timber Home Living introduces and showcases the beauty and efficiency of timber homes to an eager custom home buying audience The magazine's inspiring photography informative editorial quality advertising and essential resources involves and encourages readers to pursue their dream home
