The Theocratic Kingdom of Our Lord Jesus, the Christ, as Covenanted in the Old Testament and Presented in the New Testament George Nathaniel Henry Peters, 1884 **The Oxford Encyclopedia of the Bible and Gender Studies** Julia M. O'Brien, 2014 As the first major encyclopedia of its kind The Oxford Encyclopedia of the Bible and Gender Studies OEBGS is the go to source for scholars and students undertaking original research in the field Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts cultures and readers that constitute the world of the Bible With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists classicists archaeologists and ancient historians this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible The two volume Encyclopedia contains more than 160 entries ranging in length from 1 000 to 10 000 words Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible **The Godly Principle of Self-Interest** C. Mark Hollomon, 2008-06-27 For those who have pondered the question of why some ethnic groups seem to prosper in America while others fall behind one only has to read the message presented here by C Mark Hollomon In his book The Godly Principle of Self Interest Mr Hollomon gives specific answers to Black America as to how and why other groups with cultures such as ethnicity and language are able to come to America and in a short period of time manage to establish a strong presence economically and politically A prime example is the Cuban population of Florida Since the rise of Fidel Castro in Cuba dissatisfied Cubans have fled Cuba practiced cooperative economics built their economic power base and thus transformed this base into a political machine particularly in South Florida All this was accomplished using the methods C Mark Hollomon has described in this book By simple observation one can also note the Vietnamese boat people in Garden Grove California and the Korean population in Los Angeles as other examples of groups that have practiced self interest successfully Hollomons message is clear Black America must harness their buying power and invest in their own community Black dollars are being siphoned out of the inner cities by groups that do not typically re invest back into the community which sustains them so well Ownership is the key Making a determined and conscious effort about how to use your economic clout is what most groups of like culture have been doing for decades As a Latino American I can personally endorse the principles in this book as applicable and beneficial not only for Black people but for all people The blueprint is here The examples are easily and readily viewed C Mark Hollomons words ring true Richard Roman Business Owner B A History University of California Los Angeles [Northwestern Christian Advocate](#) , 1912 **The Gospel of Matthew** John

Stanglin, 2022-06-14 What is the apostle Paul s message in his Letter to the Romans And how does it apply to us today Is there more to learn about Romans and is there more for the church to hear today Keith Stanglin takes this familiar epistle and makes sense of its author s original intent and its meaning for believers now With attention both to the historical background and to our contemporary situation he offers thirty one meditations that take readers through the entire letter beginning with the ancient arguments and arriving at modern exhortation Each chapter is accompanied by discussion questions for use in classes and study groups For scholars serving the church this book is a welcome supplement to a technical commentary For non specialists it is an introduction to Romans and an invitation to seek its wisdom All readers will see Paul s message of God s grace in fresh ways *Movements of Grace* Jeff McSwain, 2010-09-15 To Barth Bonhoeffer and the Torrances grace is not an abstract truth it is reality itself By God s revelation in Jesus Christ we are given the blessed assurance to know that all human beings are included in the humanity of the Savior And in Christ we discover the movements of grace a double movement at once God humanward and human Godward all by the Holy Spirit These theologians were keen to remind us that Christ s ongoing mediatorship includes all appropriate human responses to God In fact only by grace and in union with Christ do we have true response ability It is this going with the flow of the Holy Spirit en Christo that makes Christo realism so dynamic and life giving **Classic Pentecostal Sermon Library Vol 5** Ray H.
