University B.A. Examinations. Pope's Essay on Criticism, with notes critical, explanatory ... specially prepared for the use of students, by S. Neil Alexander Pope, 1867 **Modern Language Notes** ,1890 **Modern Art** Leo Steinberg, 2023-10-19 The fifth and final volume of essays by Leo Steinberg is devoted to modern and contemporary art Expertly edited by Steinberg's longtime assistant Sheila Schwartz this collection includes essays on Cezanne Monet Matisse Ernst Hans Haacke Jasper Johns Jeff Koons and in some ways the centerpiece of the collection Steinberg's landmark essay Encounters with Rauschenberg It concludes with a selection of Steinberg's lesser known occasional humorous pieces The collection features an introductory essay by noted scholar and curator James Meyer As with all volumes in the Essays by Leo Steinberg series it is lavishly illustrated throughout with works by each of the artists Steinberg analyzes **The Modern Essay in French** Charles Forsdick, Andy Stafford, 2005 As a textual form the *essai* predominates in modern and contemporary literature in French Emerging from an earlier tradition and distinguished from its English language counterpart the French language essay ranges from Stéphane Mallarmé to Colette Victor Segalen to Aimé Césaire Jean Grenier to Pierre Michon The *essai* remains however one of the most hazily identified of textual forms its definition often depending on the progressive elimination of all other generic possibilities Excluded from the archigenres theatre poetry or *critique* it can even be seen as a hold all category whose role is to absorb the anarchic extremes of writing It is perhaps this very lack of pretension to orthodoxy that has drawn so many writers to the *essai* The conventional understanding of the term as a tentative unsystematic exploration stresses the genre's provisional nature its refusal of any claims to comprehensiveness The *essai* exploits the devices of anecdote illustration and humour it is addressed to a wide and often general audience it is also intricately linked to the performance of ideological and writerly strategies often reordering the classical art of rhetoric and persuasion As the contributions to this volume show there is a need to outline an ethics and politics as well as poetics of essayism *Essays on Modern Military Biography ...
