

Name: _____ **KEY** _____

Recitation Section: _____ Group Number: _____

Chemical Equilibrium

Instructions:

- Listen to an introduction from your recitation instructor.
- Work through the entire activity with your group. Each group member is responsible for contributing equally to this activity, and each person will turn in an assignment following the activity.
- No one is allowed to leave before the recitation period is over. If your group completes the activity early, use the extra time to help other groups.
- The recitation instructors will wrap up the session with an end-of-class 5-minute discussion.
- At the end of the class, one student from each table should gather the individual activity packets and turn them in to the recitation instructor as a set. Each activity packet should be complete.
