Managerial Effectiveness and Effective Functioning of the B.Ed. College Principals Dr. M. Ramakrishna Reddy, 2017-02-28 Education is an instrument of social change It is a process which brings about modifications in the behaviour of society It helps individuals to develop their own perspectives on the world around them and pushes them to think both creatively and conceptually about many different subjects It enables individuals to effectively participate and contribute to the progress of humanity

Effective Fire and Emergency Services Administration Robert S. Fleming, 2010-04-21 Dr Fleming s new book drawing from an array of business and administrative disciplines provides a solid conceptual foundation for understanding meeting and exceeding the expectations of organizational stakeholders and preparing for professional personal and organizational success in fire administration The book addresses the various course objectives and learning outcomes for both the Introduction to Fire and Emergency Services Administration course within the FESHE Associate s Model Curriculum and the corresponding bachelor s course Fire and Emergency Services Administration Effective Fire Emergency Services Administration will be an invaluable resource for students both undergraduate and graduate and current fire and emergency services personnel of all ranks who are preparing for career advancement including promotional examinations It also will serve as a very useful reference for current fire and emergency service operational and administrative officers

Rethinking Management Boris Kaehler, Jens Grundei, 2025-08-27 The concept of management is well established and very familiar to scholars and practitioners alike However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms Building on an in depth analysis of literature this book establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture It thus provides a clear theoretical and conceptual framework helping researchers to theorize and practitioners to implement corporate management models
