hassle out of the process by giving you a single point of contact that can answer any questions that you might have, and help with the process from start to finish.

Healthcare Professionals are required to pass MOH assessment to acquire their professional license and to practice in the UAE. The assessment will be conducted either oral or online test (Prometric) depending on professional specialty and category. This service enables healthcare professionals to apply for moh license in order to work in uae healthcare facilities

The government adopted the United Arab Emirates and the Ministry of Health policy "to provide comprehensive health care for all citizens and residents." This can be achieved through its preventive and curative health services through a network at all levels, which includes primary health care, secondary health care and clinical care. Have borne the Ministry of Health and mainly responsible for the implementation of this policy in all areas of technical, material, and coordination with the Ministries of State, and cooperation with the private sector in health locally and internationally, in addition to members of the community. Focused strategic ministry plans to continue to improve the quality and quantity of primary health care services, so has expanded clinics for the care of diabetic patients and clinic devoted to preview the elderly. Also been expanded dental services, where the unit was established Dentistry, and
