Mom Me Mom:

Mom & Me & Mom Maya Angelou, 2013-04-02 The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now at last the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence, a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion a decade later began a story that has never before been told. In *Mom Me Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call Lady, revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom Me Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. *You and Me Mom*

Maya Angelou, 2023-11-09 **Who Are All These Children and Why Are They Calling Me Mom?** Faith Bogdan, 2013 Struggling with motherhood and feeling guilty on top of it, Faith Bogdan gives you guidance and hope to be the person and the mom you were made to be. *Mom Me: E-Mail 2 Heaven* Valerie Auguste-Partin, 2015-11-24 Dear Mom Me, Why did I write the book sequel to *Mom Me: Soaring Through The Pain*? The answer is simple: I need people to understand the difference between the grief journey of losing your mother to more than one terminal illness vs. just losing your mother to natural causes. Some folks still believe that I should be over my loss by now. Fortunately, many of them still have their own mothers and can never empathize with me. Why should they? A mother is the extraordinary superwoman who inhaled the breath of life into you for 9 miraculous months. She exhaled you to the world during the slow and painful labor process. To watch my physically strong, healthy, and powerful mother who gave me life lose her own life slowly and painfully to not one but two terminal illnesses left a dark stain and a traumatic impression on me emotionally. It is difficult to transition smoothly to the happy moments shared together when the recent memories of their physical anguish and suffering still haunt and torment you. For many of us, these emotional demons are worst at night when you are alone with your nocturnal thoughts. This
