Mommies Can T Be Sick:

Zora's Cry Tia McCollors, 2006-06-01 I m adopted Zora Bridgeforth can t believe her eyes Still reeling from the sudden deaths of her beloved parents she was looking for her mother s bridal veil when she found the hidden truth Now with her own wedding just months away Zora feels adrift unsure of who she is and where she belongs So she vows to find her biological family even if it means putting her health and love life in jeopardy Meanwhile Mon t is playing with fire in the form of a romance with a suave politician Belinda is adjusting to motherhood while her own mother is fighting cancer And Paula is dismayed to find herself pregnant and convinced her husband is having an affair When a women s discipleship group draws Zora together with these women they gradually drop their masks and learn to draw strength from each other and God And Zora learns that whether she finds the truth about her parents or not she s never alone **Mommy, Please Don't Listen To Them** Denise F. Loewen, 2014-10-27 Little Trina had health challenges from the start and over the course of her 27 short years their source seemed to mystify professionals from all branches of medicine In Mommy Please Don t Listen to Them we are taken on a roller coaster ride that traverses the emotional ups and downs that shaped the lives of little Trina and her devoted family Through Trina the author learned that when she listened to her own intuition about her daughter s needs that is where she found the real answers Trina defied all statistics for health and longevity with regard to an extremely rare chromosomal syndrome that she was born with 3p minus syndrome In fact tests often showed that her systems functioned at higher than average levels Even so infections nutritional deficiencies and Trina s inability to communicate pain led to ongoing setbacks and ensuing medical testing Various pharmaceuticals were tried but they often brought nightmarish side effects along with them Alternative therapies were explored extensively with some successes In Mommy Please Don t Listen to Them readers will discover new levels of parental devotion and human struggle It is at times touching at times infuriating It is the story of a mother who dedicates her every breath to giving her daughter what she needs to reach her full potential No matter what the doctors say **Ericka's Story** Minister Kelley D. Gulley, 2012-05 Reading Ericka s Story was one of the hardest things I have ever done There were times when I had to stop reading because I could not stop crying I don t know if it was my own pain or the pain I felt for you Dominic and Racquel Reading the book helped me understand why it was so difficult for you to write The purpose of the book is compelling In my view it admonishes parents who have children with life threatening diseases to bond with family and others in their social networks and especially God to help them through all of the uncertainty and pain that they will experience The book does a wonderful job of capturing the feelings of all of the people in your lives and the roles they played in this drama It is a premier for all parents with children diagnosed with terminal diseases Frank Lomax III Ericka s Grandpa Minister Kelley Denise Gulley MBA is a member of World Conquerors Church in Oakland California where she leads the Prayer Warriors Ministry and serves on the Vision in Action Team which works to implement Pastoral initiatives She is a dynamic facilitator speaker and teacher who counts it a privilege to have worked in

and ministered to people living in low income communities of color across the country and in Montego Bay Jamaica Kelley's purpose in life is to bless others She believes that she has been given gifts abilities and experiences so that she can be used by God as a transfer point for these gifts to be deposited in the people who cross her path Kelley is married to her high school sweetheart Dominic They have two children Racquel and Dominic Jr who you will learn more about in Ericka's Story
