Pediatrics nursing is unlike adult nursing in so many ways. The patients are unique and the disease processes that the nurse must understand vary greatly from the adult patient. This book outlines the key disease processes, patient care and nursing elements you need to know to care for a peds patient. Not only will this help as you study for Pediatrics and the NCLEX r but it will serve as a guide throughout your career as a nurse. Developed, written and edited by the team at NRSNG and outlined in only the way they can, this book provides the MUST KNOW and critical information in an easy to follow and read format. This book is aimed at making pediatric nursing a breeze, truly made easy. As nurses, our team is dedicated to building a future for nursing that has a deep understanding and knowledge.
