

## Analyzing Literature Assessment

### Step 1: Review the prompt.

*Layers of meaning exist in all works of literary fiction. Consider the ways the author of your selected short story used style and literary elements, like plot, diction, syntax, figurative language, character, conflict, and setting. Compose an essay in which you analyze and explain how the author's style and employment of literary elements create a particular mood in the text.*

### Step 2: Review your short story and your graphic organizer.

**Step 3:** Outline your essay using the chart below. Begin with your thesis statement, and then fill out the outline based on your thesis. You may or may not use each section, but provide as much information as possible in the planning stage.

**Remember:** outlines are not written in paragraph form. You are only outlining the literary analysis, not writing the entire essay. You will write the essay in a later module.

<b>Short Story</b>	The short story I selected is: "There will come soft rains" by Ray Bradbury
<b>Thesis Statement</b>	My Thesis: Ray Bradbury blends unsettling descriptions of places with the unnerving whispers of personified objects, creating a suffocating atmosphere of fear.
<b>Body Paragraph:</b> I. Reason #1 A. Direct Quote #1 to Support Reason 1. Paraphrase this Evidence B. Connection to Thesis 1. Elaborate on Connection C. Direct Quote #2 to Support Reason 1. Paraphrase this Evidence D. Connection to Thesis 1. Elaborate on Connection E. Concluding Statement that Restates Language from Thesis	I. Setting would be used at specific points of the story to really have the reader focus on the fear of the house. A. "The house stood alone in a city of rubble and ashes. This was the one house left standing". 1. Alone in tapestry of ash and ruin, the house became a haunting monument to what was lost. B. The house stood lonely whispering tales of loss and loneliness, spreading fear through its own very walls. 1. The author's imaginative approach to mood-building successfully instills a chilling anxiety in the reader. C. "In the living room the voice-clock sang. Tick-tock, seven o'clock, time to get up, time to get up, seven o'clock! As if it were afraid that nobody would." 1. The house was obviously trying to wake them up. D. Everyone is completely gone. Even with the house trying to wake everyone up everyone was dead. 1. The author's narration places us at the heart of the action, offering a visceral experience of the events as they unfold. E. His use of personification brings life into setting leaving a atmosphere full of emptiness.
