

FMC Procedural Trainer and CDU Device Packages

We are justly proud of our unique FMC Procedural Trainer and stand-alone FMC/CDU training device, which utilizes our industry-leading Aviate 737NG software. This fully operational Flight Management Computer allows your students to learn and practice programming for all pre-flight preparation and in-flight functions without incurring Level D simulator charges and wasting precious time slots. It will also free up our full flight training device an estimated 5 hours per student, per course. Our devices can be customized to meet your requirements, and the FMC Procedural Trainer is a perfect platform for the ground-breaking simulated ATC option, SERA, provided by our partners at ASTi.

Commonality of software across all of our products will accelerate learning and allow students to become proficient with all functions of the CDU, preparing them for the next stage of training while maximizing potential as their capabilities and situational awareness are significantly and rapidly enhanced.
