Preparing for the 11 Pupils approaching the 11

Examination face many challenges including lack of time uncertainty over what is required and an ever changing and secretive testing environment Plain mathematics questions are progressively being replaced with more demanding numerical reasoning questions Selective schools are increasingly interested in not only rote recall of methods but also the ability to understand questions expressed in prose and skilfully apply sometimes several mathematical principles to arrive at an answer The Eureka 11 Challenging Maths and Numerical Reasoning series of books to provide focused preparation for pupils and their busy parents Questions are expressed in words with the pupils learning the habit of extracting the relevant numbers and key facts Most questions are multi part reflecting the trend in examinations to challenge pupils skills at progressively higher levels as the question unfolds These questions are the upper echelon of what is tested at 11 Although they need only Key Stage 2 concepts they are challenging because they require good command of multiple skills simultaneously Pupils and perhaps even parents will find very few of these questions to be very easy Thankfully the real exam

will contain many easier questions but preparation time is best spent on those which present greater challenges and therefore more learning opportunities When answering the questions Set yourself a target e g 3 questions in half an hour Write down clearly your steps of working in full to make checking easier Go through the answers soon after doing the questions Do not be sad if you have made mistakes learn from them Many questions cover areas where even strong pupils are prone to errors Watch out for the Traps described Incorporate the Tips into your methods in future See if the Method suggested is quicker or less open to error than yours For any examination diligent practice carefully analysing errors mulling over methods and developing and testing your own preferred approaches pay enormous dividends **GL 11+ Mathematics**
