Border Crossings Kathleen Sue Fine-Dare, Steven Rubenstein, 2009-05-01 This is a collection of essays on the evolving focus and perspective of anthropologists and anthropology of North and South America It looks at how modern scholars are rethinking both how and why they study culture as they gain a new appreciation for the impact they have on the people they study

The Second Coming Carter Sherman, 2025-06-24 Equal parts investigative reporting and cultural criticism this is a look at the sex lives of young adults in post Roe v Wade post MeToo America and how the challenges they face are harbingers of what's coming for the rest of us As a college student award winning journalist Carter Sherman along with several members of her sorority was interviewed by a writer looking for salacious details about their sex lives But the sex the girls were having or the lack thereof seemed disappointing and their stories didn't make the book's final cut A decade later young Americans are having less sex than past generations and the sex they are having is infinitely more

complicated Sherman who has spent years traveling the country reporting on gender and sexuality wanted to find out why Based on more than one hundred interviews with teenagers and young adults activists and experts The Second Coming reveals how mis education the internet and politics have not only reshaped relationships but also unleashed a nationwide power struggle over the future of sex From abortion clinics crowded with young patients to Dating with Dignity seminars at the National Pro Life Summit to school board battles over what students should read think and feel we meet folks from both sides of the aisle who are well informed empowered and active even if not always sexually And as measures are taken to limit Americans access to rights and resources they are fighting back In the tradition of Rebecca Traister and Lisa Taddeo The Second Coming explores how the ballot box has infiltrated the bedroom and the breaking point as a nation we ve reached as a result

Mimetic Theory and Its Shadow Scott Cowdell,2023-08-01 Leading Girardian theologian Scott Cowdell seeks to resolve a long standing challenge to mimetic theory that it entails a fundamental brutishness an ontological violence Girard s account of scapegoating violence seen as providing the initial stability for our species to emerge and consolidate hardly seems compatible with Christian belief in God s good creation with violence only appearing after a subsequent Fall The brilliant but controversial theologian John Milbank has long raised this concern about Girard grounded in a remarkably sophisticated though seldom fathomed philosophical theology Unpacking Milbank s program along with Girard s recasting of Continental philosophy in light of mimetic theory Cowdell finds a way between two apparently irreconcilable positions With irenic spirit but analytic tenacity he probes for ways through Milbank s arguments while pressing on growth points in Girard s Cowdell s proposals involve reframing divine creation in light of salvation history reimagining divine participation by thinking Christ and evolution together and developing a semiotic approach to mimetic theory that delivers ontological peace hermeneutically Cowdell shows how Girard s vision of human transformation through faith in Christ reveals a different world beyond ontological violence while preserving the divine participation that Milbank champions

Unbelonging Sabrina Stark,2013-12-23 *Taming the Heart* Elliott Rose,2025-05-27 In this steamy age gap forbidden love cowboy romance for fans of Lyla Sage Bailey Hannah and Elsie Silver a free spirit finds herself working for a former pro bull rider who has secrets behind those ocean deep eyes Being hired by a ranch for the summer sounds picture perfect right Except your new boss looks a whole lot like every fantasy and daydream you ve ever had come to life oh and he s already accidentally seen your favorite toy I ve always been the hyper independent free spirit Sage Maloney the wild child The eldest daughter with my heart locked away safely out of sight I had a summer of fun ahead of me Only I didn t count on a former pro bull rider to stride into my life Beau Hartford The much older cowboy with a mustache to go weak at the knees for He s a whole package of temptation Someone who lures me in with glimpses of what it might be like to let my guard down to be taken care of My married boss Summer days rapidly turn scorching in this sleepy little town among the mountains As the temperature continues to climb we re both stuck fighting a mutual attraction we can t ignore Sparks fly and we really should be putting

more distance between the two of us In this scenario more is at stake than just crossing a line between boss and employee There s a wedding band on this cowboy s finger *Glimpses* Lewis Shiner,2001-03-12 Living in the ruins of the idealistic 1960s Ray Shackelford a veteran of failed garage bands works as a repairman and tends to his dying marriage When he finds the music of his dreams has been mysteriously recorded Ray is drawn to the past to revisit the histories of Hendrix Morrison the Beatles along with his own history The Demasculinization of Men Conrad Riker, Still Playing by Rules Designed to Destroy You Ever watched a judge strip your rights as a dad while rewarding a mother s spite Tired of being a paycheck not a patriarch in a system that profits from your silence Afraid your sons will grow up in a world that calls their strength toxic Reveal the real data leftists bury about fatherless homes and societal collapse Outsmart courts rigged to bankrupt men and alienate them from their kids Learn why evolutionary biology proves male leadership isn t optional it s survival Dismantle the myth of toxic masculinity and reclaim pride in your instincts Protect your wealth from alimony traps and no fault divorce scams Discover how real men build legacies not apologies in a culture that hates them Unlock the red pill tactics to thrive in a system that wants you neutered Join the silent majority of men refusing to be slaves on the marriage plantation If you want to lead again not beg buy this book today **NATO** Conrad Riker,101-01-01 Weakness Gets Nations Erased This Book is a War Manual for Real Men Why is N A T O floundering while Russia and China carve up the world How did toxic feminization turn Western boys into directionless pawns What if fatherlessness climate hysteria and woke armies are all part of a plot to destroy N A T O from within Shatters the lies that deterrence and diplomacy can stop dictators only raw power works Exposes how feminist quotas in militaries make soldiers soft nations vulnerable Proves Putin s Ukraine invasion was a direct result of Biden s Afghanistan surrender Links collapsing birth rates to men raised by single mothers no patriarchs no patriots Details how to purge woke ideology from defense policy and restore alpha leadership Blows the lid off Russia s 500 year playbook to destabilize the West and how to break it Reveals why climate driven defense cuts are suicide drill oil build nukes or perish Connects the dots between fatherless homes crime spikes and civilizational collapse If you want to crush globalist lies revive unapologetic masculinity and ensure N A T O annihilates its enemies buy this book today before the next war starts **Fodor's South Africa** Alexis Kelly,Shannon Kelly,2010 Describes hotels resorts restaurants sights and activities in South Africa and offers practical travel tips Fodor's South Africa Fodor's Travel Publications, Inc.,2007-12-01 Detailed and timely information on accommodations restaurants and local attractions highlight these updated travel guides which feature all new covers a two color interior design symbols to indicate budget options must see ratings multi day itineraries Smart Travel Tips helpful bulleted maps tips on transportation guidelines for shopping excursions and other valuable features Original **Flickering Pixels** Shane Hipps,2009-02-09 Flickering pixels are the tiny dots of light that make up the screens of life from TVs to cell phones They are nearly invisible but they change us In this provocative book author Shane Hipps takes readers beneath the surface of things to see how the technologies we use end up using us Not all is dire however

as Hipps shows us that hidden things have far less power to shape us when they aren't hidden anymore. We are only puppets of our technology if we remain asleep. Flickering Pixels will wake us up and nothing will look the same again. **The Dipshits' Club** Jeff Andresen, 2024-05-17 There are two types of clubs: those that bring like-minded people together for a shared purpose and the other type. The Dipshits Club is the other type. Members of the Dipshits Club are appointed by the general public who mutually agree that the person is in the club. Interestingly enough, while appointment to the Dipshits Club can be initiated by a single individual, it must be verified by others who in turn recognize the potential member's traits and validate the said appointment. e.g. Oh, for sure, he's in the club. We have a member in our town that acts just like him. The Dipshits Club has no structure, salad bars, or lapel pins. The Dipshits Club has no quarterly newsletters that are published by Ed, the club secretary, who also keeps track of attendance and annoys other members. There are no national conventions or regional conferences where dipshits can mingle with others like themselves. No club members blissfully go about their lives oblivious to the fact that they have been identified as part of an exclusive group of people who the average person finds uniquely peculiar. It is the peculiarity that we find so intriguing. Finally, author and Dipshits Club charter member Jeff Andresen swings wide the door and shares the type of authentic, hilarious, and relatable stories which will make you proud to be a member of the club or think about joining. The more you read, the more it will occur to you that you are not alone. It is actually liberating to know that there are others out there who wonder if it's okay to squirt their neighbor's obnoxious child in the face with a mustard packet or purposely misplace their mother-in-law's readers right before pill-taking time. There is something to be said about a read that makes you start smiling in anticipation as you find yourself hoping it will go where you think it might. The Dipshits Club takes you on that headshaking journey that fills you with wonderment and you find yourself thinking, My God, that could have been me. *Stronger* Michael Joseph Gross, 2025-03-11 A groundbreaking, richly informative exploration of the central role of muscle in human life and health. Stronger sounds an urgent call for each of us to recognize muscle as the vital, inextricable, and effective partner of the soul. Even if you've never picked up a weight, Stronger is for you. Arnold Schwarzenegger. Stronger tells a story of breathtaking scope from the battlefields of the Trojan War in Homer's Iliad, where muscles enter the scene of world literature, to the all-but-forgotten Victorian-era gyms on both sides of the Atlantic, where women build strength and muscle by lifting heavy weights, to a retirement home in Boston where a young doctor makes the astonishing discovery that frail ninety-year-olds can experience the same relative gains of strength and muscle as thirty-year-olds if they lift weights. These surprising tales play out against a background of clashing worldviews, an age-old competition between athletic trainers and medical doctors to define our understanding and experience of muscle. In this conflict, muscle got typecast. Simplistic binaries of brain versus brawn created a persistent prejudice against muscle and against weight training, the type of exercise that best builds muscular strength and power. Stronger shows muscle and weight training in a whole new light. With warmth and humor, Michael Joseph Gross blends history and firsthand reporting in an

inspiring narrative packed with practical information based on rigorous scientific studies from around the world The research proves that weight training can help prevent or treat many chronic diseases and disabilities throughout the lifespan including cardiovascular disease cancer type 2 diabetes osteoarthritis and depression Stronger reveals how all of us from elite powerlifters to people who have never played sports at all can learn to lift weights in ways that yield life's ultimate prize the ability to act upon the world in the ways that we wish

Steam-Powered Knowledge Aileen Fyfe, 2012-01-06 With the overwhelming amount of new information that bombards us each day it is perhaps difficult to imagine a time when the widespread availability of the printed word was a novelty In early nineteenth century Britain print was not novel Gutenberg's printing press had been around for nearly four centuries but printed matter was still a rare and relatively expensive luxury All this changed however as publishers began employing new technologies to astounding effect mass producing instructive

and educational books and magazines and revolutionizing how knowledge was disseminated to the general public In Steam Powered Knowledge Aileen Fyfe explores the activities of William Chambers and the W R Chambers publishing firm during its formative years documenting for the first time how new technologies were integrated into existing business systems Chambers was one of the first publishers to abandon traditional skills associated with hand printing instead favoring the latest innovations in printing processes and machinery machine made paper stereotyping and especially printing machines driven by steam power The mid nineteenth century also witnessed dramatic advances in transportation and Chambers used proliferating railway networks and steamship routes to speed up communication and distribution As a result his high tech publishing firm became an exemplar of commercial success by 1850 and outlived all of its rivals in the business of cheap instructive print Fyfe follows Chambers s journey from small time bookseller and self trained hand press printer to wealthy and successful publisher of popular educational books on both sides of the Atlantic demonstrating along the way the profound effects of his and his fellow publishers willingness or unwillingness to incorporate these technological innovations into their businesses
