Gathering Shadows Finding Sanctuary:

Gathering Shadows (Finding Sanctuary Book #1) Nancy Mehl, 2014-04-29 Wynter Evans is a promising young reporter for a television station in St Louis but even a bright future doesn't take away her pain over the disappearance of her brother nine years ago. So when she stumbles across a photograph of a boy with an eerie resemblance to him, she can't pass up the chance to track him down. With research for work as her cover, she sets out with one of the station's photogs for the place where the picture was taken, the town of Sanctuary. Almost as soon as she arrives, she meets the town's handsome young mayor, Rueben King, and together they begin to uncover long-held secrets that could tear the small town apart and change everything. Wynter thought she knew about her life. As the truth of her family's past hides in the shadows, it's clear someone will stop at nothing to keep the answers she's searching for hidden forever, even if the cost is Wynter's very life.

Deadly Echoes (Finding Sanctuary Book #2) Nancy Mehl, 2015-01-27 After a youth filled with tragedy and upheaval, Sarah Miller's life is finally settled with all echoes of the past silent at last. She happily calls Sanctuary her home and spends her days teaching at the local school. Sarah's joy at her recent reunion with her sister Hannah and meeting the niece she didn't know she had is too soon interrupted when Deputy Sheriff Paul Gleason informs Sarah her sister has been killed. As she learns more about Hannah's death, the circumstances are eerily similar to their parents' murder. Sarah enlists Paul's help in digging deeper into the murders the police are dismissing as burglaries gone wrong. Paul's concern encourages Sarah's growing feelings for him, but as their investigation peels back the layers of lies almost twenty years old, they get close to uncovering the truth. One person will do anything to hide, even if that means coming after the last remaining members of the Miller family.

After a rough childhood, her teenage poor choices harmed others, leaving her with no choice but to change her life. Her entry-level writing job at a newspaper puts her in the right place at the right time to overhear office gossip about a prisoner who has information on a decades-old unsolved crime. While the other reporters write off the tip as the ravings of an angry criminal, Sophie can't ignore it because she knows the name of this prisoner from her old life. Upon learning from the man that one of the other suspects is hiding out in the Missouri town of Sanctuary, she takes on a false identity to investigate and meets the young pastor of a local church, the very man she'd loved as a troubled teenager. As she gets closer to finding the suspect, will the truth of her own past come out before she discovers the identity of the criminal or the very person she's seeking? puts a fatal stop to her investigation.
