International Perspectives on Critical Pedagogies in ELT Mario E. López-Gopar, 2018-11-11 This edited collection brings to the forefront attempts to connect critical pedagogy and ELT (English Language Teaching) in different parts of the world. The authors in this collection write from their own experiences, giving the chapters nuanced understanding of the everyday struggles that teachers, teacher educators, and researchers face within different contexts. Throughout the book, contributors connect micro contexts (classrooms) with macro contexts (world migration, politics, and social issues) to demonstrate the impact and influences of pedagogy. In problematizing ELT and focusing on so-called peripheral countries where educators have created their own critical pedagogies to respond to their own local realities, the contributors

construct ELT in a way that goes beyond the typical ESL EFL distinction This unique edited collection will appeal to teacher educators in service teachers working in the field as well as students and scholars of English language teaching second language acquisition and language education policy *Handbook of Research on Mobile Devices and Smart Gadgets in K-12 Education* Khan, Amar Ali,Umair, Sajid,2017-07-12 The use of technology can significantly enhance educational environments for students It is imperative to study new software hardware and gadgets for the improvement of teaching and learning practices The Handbook of Research on Mobile Devices and Smart Gadgets in K 12 Education is a pivotal reference source featuring the latest scholarly research on the opportunities and challenges of using handheld technology devices in primary and secondary education Including coverage on a wide variety of topics and perspectives such as blended learning game based curriculum and software applications this publication is ideally designed for educators researchers students and technology experts seeking current research on new trends in the use of technology in education **A Scholar's Guide to**
