General Knowledge Quizzes And Answers:

The Giant Quiz Book: 1000 Questions and Answers to Engage All Minds Peter Keyne, Elsinore Books, 2020-04-13

The Giant Quiz Book 1000 Questions and Answers to Engage all Minds picks up right where The Great Quiz Book left off. Once again we've brought together a host of fresh and intriguing questions that will test the limits of your knowledge across a huge range of subjects. The book is divided into 4 parts. Part 1 presents 50 challenging general knowledge quizzes. Part 2 introduces the specialist rounds at three levels of difficulty: medium, challenging, and fiendish. Here you'll find questions on geography, history, sport, science, and nature, literature, art, and architecture, and movies and TV. Part 3 brings a lighter touch with a selection of bonus round quizzes where you'll be asked to spot connections, identify years from a series of clues, unravel proverbs, and sort out lists of famous people, places, and things. Part 4 contains 20 family fun quizzes that will be especially enjoyable for younger minds. There are straightforward general knowledge questions alongside rhyming and alphabet quizzes. At Elsinore Books we pride ourselves on creating beautiful e-Books and devote great attention to formatting and ease of navigation. This book contains a cleanly styled contents page that permits easy movement between quizzes. Each quiz occupies its own chapter so you can move between quizzes by pressing a single button on your e-reader. You can access the answers to each quiz by following the links at the top and bottom of the question page. On the answer pages you'll find each question rewritten and followed by its answer in bold. You can view a full listing of the quizzes inside by clicking on the preview of this book and viewing the contents page.

Example questions
