**Widow: A Four-Letter Word** Judy Crowell, 2015-12-16. Author Judy Crowell, a sixty-three-year-old widow, is shaken out of her topsy-turvy malaise by an old acquaintance cajoling and wooing her back to the dating world of the twenty-first century, a world she last experienced when Eisenhower was president. Tackling a pile of disregarded old photos, she reminisces over the men in her life: a hormones-raging teenage Lothario in a lime green '50s Chevy, an eighty-year-old Benedictine monk, a Johnny Walker-swilling uncle, and a husband taken too soon by cancer. After forty-two years of marriage, can she share another man's popcorn at the movies? Feel another man's beard against her cheek? Another man's touch? Another man's bed? In *Widow: A Four-Letter Word*, humor and tragedy intermingle as a widow looks back at the men in her life and grapples with a persistent suitor wooing her to date and perhaps to love again.

**FATHER TO THE FATHERLESS** Myama Myowne,2010-04-19 Thousands of children and teenagers in the United States are growing up in homes where one or both biological parents are missing in action The results of absent parents are far reaching and truly devastating for the future of our homes and our families Myama Myowne knows this fact all too well She's lived it She's experienced the impact And she has a testimony that she wants to share The truth of not having her father around when she needed him was painful But God had other plans for her future It included giving her the opportunity to see Him as the Father she never had and also gave her the ability to see the substitute father figures that He brought into her life at critical times in her development as the fathers she needed as well The book you hold in your hands tells the story of what happens when God intervenes and changes the future It not only tells Myama's story It also shows the important role we all play in changing the present realities of many youth that need the love of one or both parents that may be missing from their lives This much needed book is meant to make a difference in the climate of our families neighborhoods and cities **A Word With You: My Journal Through The Bible** Al

Lowry,2023-12-18 Have you ever wanted to read through the entire Bible You can Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide Each daily reading is accompanied by a few words from Al to gently nudge you to do what he once thought was impossible to read through the most important book ever written FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a Guilt Free reading plan that went through the entire Bible He explained that the principle was to just take time to read or listen to that day's passage and if you miss a few days to skip ahead to the current day's reading He said people will read through more of the Bible this way than if

they stop part way for lack of keeping up Then they can read it again the next year and pick up the passages they missed the first time around I responded I just might be the poster child for quitting as I would start well many a January only to fall hopelessly away when tedious books like Numbers Leviticus or Deuteronomy would sideline me in the first quarter Then he challenged me in a very big way He had one of the first online ministries called The Ranch at theranch.org I read about it in USA Today and through a set of rather unusual circumstances we became connected as good friends He suggested I invite readers to follow along with me and that 1st day of the year I introduced a Facebook page with that very purpose He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me About 450 people signed up and that set me on course with a lot of accountability partners with whom I would share a devotional each day At the end of that year I could not believe I d finally accomplished this challenge of reading Genesis through Revelation So what next just be done with it I decided to do it again the next year and the next and the next I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading Remember how he kept running back and forth across the country I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500 This year I decided to put the devotionals in book form so readers would have the option to join me online or by paperback Regardless of your own motivation to read the Bible I sure would be privileged to walk by your side The goal is still the same as when we started to grow in our faith by reading through as much of the Bible as we can Hopefully my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible to read the Bible in its entirety
