ENGLISH WRITING DEVELOPMENT LIXIA WEI,2018-02-13 English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is designed as an introductory course in English writing for students teachers and all those who consider writing is important and fun It is based on the author s own experience of teaching English writing to undergraduates who major in English and training students to participate in provincial and national English writing contests Instead of showing the skeleton of writing to readers directly the author integrates the 4MAT Process Approach that she has developed on the basis of the 4MAT learning style and the Process Approach into the design of the book aiming to increase learners motivation by answering why they should learn what they should learn how they should apply what they have learnt and what if the situation changes in each chapter With corpora news and students work as resources to collect sample sentences paragraphs and essays the author elaborates eight main aspects which are writing process writing a paragraph writing an essay methods of paragraph development types of clause types of sentence rhetorical devices paraphrase and summary English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is not only the ideal English writing textbook for students at different levels but also functions equally well as a self tutoring textbook The simple reader friendly explanations coupled with interesting and meaningful examples figures tables and the checklists are of great help for the learners to make progress on their own Armed with the strategies elaborated in the book learners most probably will find that WRITING IS FUN The Perfect Score Project Debbie Stier,2014-09-09 Save yourself time money and frustration by reading The Perfect Score Project one of the most compulsively readable guides to SAT test prep ever written and a down to earth reminder of the things that really matter in life The project began as an attempt by Debbie Stier to help her teenage son Ethan who would shortly be studying for the SAT Aware that Ethan was a typical teenager i e uninterested in any test especially a 4 hour standardized exam and would be facing a much more competitive admissions process and economy than when she was in high school she decided to climb into the trenches with him She took the SAT seven times in one year ultimately compiling an accessible and relatable guide that is both a consumer report of fresh tips and an amusing snapshot of parental love and wisdom colliding with teenage apathy Stier quickly became hooked and her quest turned into an exercise in both hilarity and heartbreak as she persisted in deciphering the mind boggling menu of test prep options In

The Perfect Score Project Debbie tries it all from Kaplan to Kumon and The Khan Academy she meets with a premier grammar coach takes a battery of intelligence tests and studies with the world's most prestigious and expensive test prep company She answers all the questions that overwhelm students and parents facing the SAT When do I start Does brand name test prep work Do I need a tutor a class or can I self study What's the one thing I need to know and What's the secret to teenage motivation The Perfect Score Project has inspired thousands of parents students and teachers to connect and transform the most reviled right of passage in a high school student's life into a positive experience This book provides concrete research on the best ways to succeed on a test that serves as the last big milestone before kids leave for college
