(8 Marks)

Sally is very happy because she has just got a high university degree in history. She is 84 years old so she is the eldest student in London University. Her university teachers say that she is one of the most active and clever students there.

Sally says: "I had to leave school when I was 14. My father died and I had to go out to work to help my mother. I had four brothers and sisters who were younger than me and my father left us very little money. After that, when I had my own children, there was no enough time to continue my education, but when my children left home, I thought, why don't I continue my education?"

A) Answer the following questions:

1- How old is Sally when she gets her university degree?

2- Why did she leave school when she was 14?
