and many sided arguments that evolved around the issues they raised Hayden brings to light basic economic and spacial contradictions which outdated forms of housing and inadequate community services still create for American women and for their families *Handbook of Public Pedagogy* Jennifer A. Speculation Marina Vishmidt, 2023-06-06 A wide ranging investigation of what speculation is and what is at stake for artistic curatorial critical and institutional practices in relating to their own speculative character Engaging with the question of speculation in ways that encompass the artistic the economic and the philosophical with excursions into the literary and the scientific this collection approaches the theme as a powerful logic of contemporary life whose key instantiations are art and finance Both are premised on the power of contingency temporality and experimentation in the creation and capitalization of possible worlds Artistic autonomy and the self legislation of the space of art have often been seen as the freedom to speculate wildly on material and social possibilities In this context the artist is seen as a speculative subject and a paragon of creativity the diametrical opposite of the bean counter obsessed with balance sheets and value added However once social reality becomes speculative and opaque in its own right risky algorithmic and overhauled by networked markets what becomes of the distinction between not just art and finance but art and life This anthology surveys material and social

inventiveness from the ground up speculating with technologies gender constructs of the family and systems of logistics and coordination An ecology of speculation is traced one that is as broken specific and enthralling as the world Artists Surveyed include Bertolt Brecht Jerzy Ludwiski Cameron Rowland Salvage Art Institute Andy Warhol Mi You PiraMMMida Sam Lewitt Writers Include Lisa Adkins Ramon Amaro Brenna Bhandar Octavia Butler C dric Durand Georg Wilhelm Friedrich Hegel Sophie Lewis Dougal Dixon Stanis aw Lem Isabelle Stengers and Phillip Pignarre Steven Shaviro Can Xue Daniel Spaulding
