

"There ain't no sin and  
there ain't no virtue.  
There's just stuff  
people do.  
It's all part of the same  
thing.  
And some of the  
things folks do is nice,  
and some ain't nice,  
but that's as far as any  
man has a right to  
say."

books In 1990 with a couple of partners Goodman opened St Croix Antiquarian Books in Stillwater one of the Twin Cities region s most venerable bookshops until it closed in 2017 This store became so successful and inspired so many other booksellers to move to town that Richard Booth founder of the book town movement in Hay on Wye in Wales declared Stillwater the First Book Town in North America The internet changed the book business forever and Goodman details how after 2000 the internet made stores like his obsolete In the 1990s the Twin Cities had nearly fifty secondhand bookshops today there are fewer than ten As both a memoir and a history of booksellers and book scouts criminals and collectors The Last Bookseller offers an ultimately poignant account of the used and rare book business during its final Golden Age
