It makes sense[®] that since the goal is to establish long-term business and productivity, the first priority for the CFO office has to be to control expenses by reducing 2006-2007 paper costs. Since productivity for everyone from the head of the company down into the company is reduced the moment they get into their e-mail, meeting rooms or the office, the only way to ensure productivity could be improved, then, is to make sure employees do not require mobile devices to be used for their e-mail, meeting and other needs.

The "right to life" is a fundamental right that is protected by the Constitution. The "right to privacy" is a right that is also protected by the Constitution, but it is not as clearly defined as the "right to life". The Supreme Court has held that the "right to privacy" includes the right to decide whether to have an abortion. This decision has been controversial, and it has led to a number of legal challenges.
