Department of Education, 1978 Prayer in Public Schools and the Constitution, 1961-1992: Government-sponsored religious activities in public schools and the Constitution Robert Sikorski, 1993-01-01 First published in 1993 Routledge is an imprint of Taylor Francis an informa company *Universities and the Production of Elites* Roland Bloch, Alexander Mitterle, Catherine Paradeise, Tobias Peter, 2017-08-14 This book explores how universities as organizations

influence and construct the production of academic elites and elitist institutions It analyzes the role played by the reorganization of higher education HE institutions stimulated by new performance based narratives aimed at building attractiveness towards stakeholders such as governments prospective employers academics and students Based on American European and Asian case studies of HE systems and institutions considered at various scales the volume analyzes the consequences of increasing competition between HE institutions which are facing challenges such as the internationalization of higher education supply the shortage of public resources and the structural changes of labor market demands It argues that policy discourses and tools as well as assessment devices such as rankings and accreditation incentivize HE institutions to develop positioning strategies that contribute to stratification and the production of elites It will be of great interest to students and researchers in the fields of higher education sociology and education policy

Brothers in Grief Nora

Gross,2024-10-14 A heartbreaking account of grief Black boyhood and how we can support young people as they navigate loss JahSun a dependable much loved senior at Boys Prep was just hitting his stride in the fall of 2017 He had finally earned a starting position on the varsity football team and was already weighing two college acceptances Then over Thanksgiving tragedy struck An altercation at his older sister s home escalated into violence killing the unarmed teenager in a hail of bullets JahSun s untimely death overwhelmed his entire community sending his family friends and school into seemingly insurmountable grief Worse yet that spring two additional Boys Prep students would be shot to death in their neighborhood JahSun and his peers are not alone in suffering the toll of gun violence as every year in the United States teenagers die by gunfire in epidemic numbers with Black boys most deeply affected Brothers in Grief closely attends to the neglected victims of youth gun violence the suffering friends and classmates who must cope mostly out of public view with lasting grief and hidden anguish Set at an ambitious urban high school for boys during the heartbreaking year following the death of JahSun the book chronicles the consequences of untimely death on Black teen boys and on a school community struggling to recover Sociologist Nora Gross tells the story of students attempting to grapple with unthinkable loss inviting readers in to observe how they move through their days at school and on social media in the aftermath of their friends and classmates deaths Gross highlights the discrepancy between their school s educational mission and teachers and administrators fraught attempts to care for students emotional wellbeing In the end the school did not provide adequate space for grief making it more difficult for students to heal reengage with school and imagine hopeful futures Even so supportive relationships deepened among students and formed across generations offering promising examples of productive efforts to channel student grief into positive community change A searing testimony of our collective failure to understand the inner lives of our children in crisis Brothers in Grief invites us all to wrestle with the hidden costs of gun violence on racial and educational inequity

Civil Liberties and the Constitution Lucius Barker,

Michael Combs, Kevin Lyles, H Perry, Jr., Twiley Barker,2018-10-24 Updated in a new 9th edition this casebook explores civil liberty problems through a study of leading

judicial decisions It offers a reasonable sample of cases across a broad spectrum of rights and liberties This book introduces groups of featured cases with in depth commentaries that set the specific historical legal context of which they are a part allowing readers to examine significant portions of court opinions including major arguments from majority concurring and dissenting opinions

Behold the Man Edisol Dotson, 2021-03-04 The first comprehensive study of how images of male beauty are projected onto society Behold the Man The Hype and Selling of Male Beauty in Media and Culture examines the role media and society play in creating the image of the idealized male This book explores how these images are interpreted by all genders and sexual orientations in order to investigate the phenomenon's effect on the self esteem of adolescent and adult males Behold the Man provides you with research and examples that identify this problem from many angles to help you realize that being a man is more than merely possessing muscles and good looks Discussing examples in which both attractive men and women are idealized as the norm Behold the Man argues that men are experiencing the same injustices as women splashed on the covers of magazines and in advertisements based on their sex appeal sometimes to promote nothing more than their looks Within Behold the Man you'll find topics that relate to the reasons for and effects of male beauty standards such as aspects of male beauty from Ancient Greek ideals to how it is visualized throughout history in art the vision of the ideal male along with sexual connotations in advertisements for clothing cologne sunglasses automobiles and shaving products the emphasis of strong well built males and their bodies in movies music videos and literature how men alter their bodies by dieting and cosmetic surgery to achieve the look found in advertisements today's growing numbers of male eating disorders caused by the notion that only good looking muscular men are acceptable reasons behind the exploitation of the male body and the double standards for male beauty found within gay male communities how advertisers and authors faithfully follow the bigger is better theory from pectoral and bicep muscles to penis size Recognizing how society has created and changed the appearance of the ideal male this text explains to you the danger men of all ages face who feel they need to be physically handsome to be desirable From Behold the Man you'll learn about the real messages of advertising and media the problems they cause and that true self worth cannot be measured by physical attributes
