eagerness to learn If so it may be time to take charge of your child s education by doing it yourself The Well Trained Mind
will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool
through high school one that will train him or her to read to think to understand to be well rounded and curious about
learning Veteran home educators Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the
trivium which organizes learning around the maturing capacity of the child s mind and comprises three stages the
elementary school grammar stage when the building blocks of information are absorbed through memorization and rules the
middle school logic stage in which the student begins to think more analytically and the high school rhetoric stage where the
student learns to write and speak with force and originality Using this theory as your model you ll be able to instruct your
child whether full time or as a supplement to classroom education in all levels of reading writing history geography
mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects
Thousands of parents and teachers have already used the detailed book lists and methods described in The Well Trained
Mind to create a truly superior education for the children in their care This extensively revised fourth edition contains
completely updated curricula and book lists links to an entirely new set of online resources new material on teaching children
with learning challenges cutting edge math and sciences recommendations answers to common questions about home
education and advice on practical matters such as standardized testing working with your local school board designing a high
school program preparing transcripts and applying to colleges You do have control over what and how your child learns The
Well Trained Mind will give you the tools you ll need to teach your child with confidence and success
