

The background of the book cover is a dynamic, high-contrast photograph. It depicts a car battery, likely a lead-acid battery, with a bright, intense spark or electrical discharge emanating from its top. The spark is a brilliant yellow-white, radiating outwards in all directions, creating a starburst effect. The surrounding area is dark, with streaks of orange and yellow light, suggesting a high-temperature environment or a close-up of the spark. The overall composition is energetic and visually striking, emphasizing the power and electrical nature of a car's engine.
