Real and Sue Charleston own and run Monique's Bakery and Cafe. This is located close to a town centre and has lots of parking space. Monique produces high quality bread and pastries using traditional methods and high quality ingredients. Since opening 12 months ago sales have grown strongly. At busy times it is often built up at the counter as customers wait to pay. Online reviews indicate that this is something that needs to improve.

Figure 1

Real and Sue are now planning to make greater use of technology to promote the business, and to reduce the time that customers have to wait to pay their bills.

The website has been redesigned to allow customers to order their food before they arrive at the cafe. A contactless payment system will allow customers to pay securely by tapping their smart phones on a reader.

Very good food.....
***** (reviewer's name)

Excellent food and very friendly staff. This was our first visit and we were made to feel very welcome. Our only complaint, and the reason why we didn't award 5 stars, is due to the time it took to pay for our food when we had finished. Long queue and only one till. Took us 20 minutes.
