Interracial Cuckolds Manual:

The Color of Kink Ariane Cruz, 2016-10-04 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality The Color of Kink explores black women's representations and performances within American pornography and BDSM bondage and discipline domination and submission and sadism and masochism from the 1930s to the present revealing the ways in which they illustrate a complex and contradictory negotiation of pain pleasure and power for black women Based on personal interviews conducted with pornography performers producers and professional dominatrices visual and textual analysis and extensive archival research Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power Drawing on feminist and queer theory critical race theory and media studies Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality Illuminating the cross pollination of black sexuality and BDSM The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality

Screening Adult Cinema Farrah Freibert, Peter Alilunas, Desirae Embree, 2025-08-29 This collection of 39 original essays is designed to support film screenings Each chapter focuses on a single adult film a category broadly construed as films that foreground sex as a primary narrative aesthetic or marketing element The chapters draw on a variety of perspectives contexts histories themes and politics in examinations of style genre authorship performance and stardom The first of its kind Screening Adult Cinema brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema from a variety of time periods and transnational contexts paying particular attention to regions and films that have been underrepresented within existing adult film scholarship Following the Screening Cinema series Screening Adult Cinema is intended as a teaching text and reference for courses in which film screenings are a core activity while also appealing to adult film scholars This unique collection will be invaluable for courses on adult or exploitation film history feminist film studies global queer cinema and porn studies It will also be useful for general courses in media studies with a focus on gender sex and sexuality

Watching Porn Lynsey G, 2017-06-06 Lynsey G is an intrepid explorer boldly going where few reporters have gone with such a critical eye deep inside the real world of commercial sex Tina Horn host of the Why Are People Into That podcast Lynsey G never imagined that she would ever work in porn but at twenty four years old with a degree in English literature and an empty bank account she found herself reviewing the film East Coast ASSault for an adult magazine in New York City One interview later and it was official she was a porn journalist The job was supposed to be temporary just a paycheck until she could spark her legitimate writing career but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys As both a porn consumer and a porn critic she was not quite an insider not quite an

outsider but came to know the industry intimately She found it so fascinating that she co founded WHACK Magazine Finally she had a platform to voice her thoughts and observations of the adult film world as well as educate the rest of us about what really goes on behind the scenes Eventually Lynsey was thrust back into the real world but not before realizing that one of the most diverse and nebulous and profitable industries on the planet isn t so quite as different from the rest of the world as she thought Tantalizing eye opening and witty Watching Porn is a provocative book about an average girl s foray into the porn industry and the people who make it what it is both in front of and behind the camera Marvelous The New York Times Book Review
