Just Down The Road:

Just Down the Road Jodi Thomas,2012-04-03 Harmony Texas is a small town where dreams are born As the residents face unexpected endings and new beginnings they also come face to face with themselves and what s most important in life When Tinch Turner lost his wife he gave up on living Now he spends his nights brooding boozing and brawling When one of his escapades lands him in the ER he finds himself staring up at the beautiful new doctor in town For the first time in years he feels a spark but Addison Spencer wants nothing to do with the unruly rancher or any man for that matter She s only in Harmony four months long enough for the trouble she left behind to be over But then a vulnerable little boy barrels into both their lives forcing them out of the past and into a future where love is just down the road In the meantime as Reagan Truman grieves for her beloved uncle she finds comfort in the makeshift family she s made in Harmony and in a new baby the first born in the Wright Funeral Home in 45 years proving to everyone that life does go on **A Little Off Key** Brian W.

Elliott,2025-08-12 A Little Off Key features fifty original songs written over a period of thirty plus years The songs are written from several perspectives including a father a son and a doctor The songs in A Little Off Key are about life loss luck loneliness dogs cats birds and even goldfish And of course relationships and religion and evolution and creation and eternity and family and getting old and lots of other stuff Author Brian Elliott has never been a good enough singer or guitar player to be recruited by another band so he started his own The Little Off Key Band motto We may not be very good but at least we don t know many songs can be found playing for free mostly at animal rescue centers and retirement homes **Down**

Below to a New World Michael A. Susko,2025-04-26 Down Below to a New World A Couple Through Time From a childhood fort that opens into another realm to the edge of the universe itself Zoe and Tod journey across ten interconnected tales through life death and the mystery beyond In the beginning they walk hand in hand through landscapes of wonder and grief healing and discovery subterranean worlds runaway roads caves outside of time Their love deepens across continents and crises drawing them toward a luminous afterlife But what follows is more than peace it is a call to witness participate and choose Awakening at the edge of the cosmos they traverse the birth of galaxies the emergence of life and the stirring of spirit in matter At the threshold of all creation they must help decide what kind of world shall continue Down Below to a New World is an epic blending fantasy and cosmology memory and myth At once intimate and immense it offers a sweeping meditation on love s endurance time s mysteries and the courage it takes to become the origin of something new **Country**

Recipes and Other Interesting Stuff Bob Holt,2000-08-03 When the Lord made pork chops he said that they would be bar none Bob Holt s most favorite meat forever Being brought up in the Presbyterian Church and instilled with a belief in predestination I believe it was fore ordained that pork chops would be it for me From the beginning back in the years of World War II pork was a main staple my first year of life on the family farm You re right I don t remember it but it must have been imprinted on my hard drive After Momma introduced me to pork fat hog lard Justin Wilson brought wine into my life

and I've been on a roll ever since Come of Age Stephen Jenkinson, 2018-07-03 In his landmark provocative style Stephen Jenkinson makes the case that we must birth a new generation of elders one poised and willing to be true stewards of the planet and its species Come of Age does not offer tips on how to be a better senior citizen or how to be kinder to our elders Rather with lyrical prose and incisive insight Stephen Jenkinson explores the great paradox of elderhood in North America how we are awash in the aged and yet somehow lacking in wisdom how we relegate senior citizens to the corner of the house while simultaneously heralding them as sage elders simply by virtue of their age Our own unreconciled relationship with what it means to be an elder has yielded a culture nearly bereft of them Meanwhile the planet boils and the younger generation boils with anger over being left an environment and sociopolitical landscape deeply scarred and broken Taking on the sacred cow of the family Jenkinson argues that elderhood is a function rather than an identity it is not a position earned simply by the number of years on the planet or the title parent or grandparent As with his seminal book *Die Wise* Jenkinson interweaves rich personal stories with iconoclastic observations that will leave readers radically rethinking their concept of what it takes to be an elder and the risks of doing otherwise Part critique part call to action Come of Age is a love song inviting us imploring us to elderhood in this time of trouble That time is now We're an hour before dawn and first light will show the carnage or the courage we bequeath to the generations to come **Moon over Berlin** Rick Burnham, 2010-09-28

Tampa Sun newspaper writer Larry Mickle answers the call of a dying World War II admiral and in doing so stumbles upon a decades old secret and the answer to perhaps the most compelling mystery of the 20th century Moon Over Berlin takes Mickle to rural Mossyrock Florida not far from the shores of the Suwannee River and to the Alapaha Junction Nursing Home There he meets nursing home resident Barney Butler an 86 year old former hardware store owner and mayor well known by virtually everyone in town Or so they thought Over the course of several days Butler takes Mickle on a journey through time one that begins in the swamps of North Florida and travels through war torn Germany A cast of characters present obstacles along the way to both a young Barney Butler and to a modern day Larry Mickle Moon Over Berlin is a story of grit and determination of the loyal bonds of friendship of good and evil **Public Papers of the Presidents of the United States,**

Nickels Christine Stark,2011-01-01 Nickels follows a biracial girl named Little Miss So and So from age 4 1 2 into adulthood Told in a series of prose poems Nickels lyrical and inventive language conveys the dissociative states born of a world formed by persistent and brutal incest and homophobia The dissociative states enable the child s survival and ultimately the adult s healing The story is both heartbreaking and triumphant *Into the Inferno* Stuart Palley,2022-04-26 In the tradition of Young Men and Fire and Fire on the Mountain Stuart Palley s memoir Into the Inferno documents eight

years of devastating wildfire in California showing how fire can transform a landscape as well as a soul For nearly a decade Palley has been on the front line of fire He has witnessed homeowners on the worst day of their lives He s seen puddles of aluminum where cars were once parked He s watched as 150 foot walls of flame cascaded down mountainsides and crashed into the Pacific Ocean And he s captured time and again the tireless commitment of firefighters as they work to save lives and homes in terrain where fire always seems to have the upper hand In this memoir Palley recalls how he went from learning to be safe on the fire line to a fire savvy documentarian of wildfire and climate change He covers some of California s largest most destructive and deadliest fires between 2012 and 2020 lugging his gear from the Wine Country Fire Siege to the Thomas Fire and ultimately to the Woolsey Fire in Malibu And he shows how in a relatively short span of time fire season in California has grown into a perpetual crisis requiring billions of dollars and thousands of firefighters each year Ultimately the experiences the voices and the science shared in the memoir form an urgent call for climate action Into the Inferno stands alongside Palley s photography to show just what kind of environmental tragedy we can expect if we do nothing

The Cuban Missus Crisis David M. Addison,2015-06-01 In this humorous travelogue round Cuba the hapless author suffers from both urban myths and his Missus aka the Drinks Police The first he debunks as they occur the crises his Missus causes or would have caused but for his timely intervention are a more serious matter Acutely aware that Cuba is certain to change in the near future and probably radically award winning author David M Addison was anxious to experience the country as it is now under communism and Castro Apart from describing what daily life is like for ordinary Cubans he also delves into Cubas past from the original inhabitants and post Columbian conquest to the Wars of Independence and the Bay of Pigs and its aftermath On the literary trail Addison pays homage to Hemingway as he follows in his footsteps And if that should necessitate a visit to a bar or two that cant be helped Its not a lame excuse for a bar crawl despite what the Drinks Police may think It goes without saying that in Cuba you cant avoid classic cars and cigars but the author also takes a close look at Cubas art and architecture flora and fauna and not least the countrys other most famous product rum Another cause for a crisis as far as the Missus is concerned A mine on all aspects of Cuban culture both past and present this is useful background reading for anyone intending a visit to Cuba as well as being a handy accompaniment to your guidebook when you go Or if armchair travelling is more your thing pour yourself a glass of rum or mix a mojito and learn and laugh your way round Cuba

D. Harris, 2020-07-21 The award winning author of *Brandywine* examines a pivotal but overlooked battle of the American Revolution's Philadelphia Campaign Today Germantown is a busy Philadelphia neighborhood On October 4 1777 it was a small village on the outskirts of the colonial capital and the site of one of the American Revolution's largest battles Now Michael C Harris sheds new light on this important action with a captivating historical study After defeating Washington's rebel army in the Battle of Brandywine General Sir William Howe took Philadelphia But Washington soon returned launching a surprise attack on the British garrison at Germantown The recapture of the colonial capital seemed within Washington's grasp until poor decisions by the American high command led to a clear British victory With original archival research and a deep knowledge of the terrain Harris merges the strategic political and tactical history of this complex operation into a single compelling account Complete with original maps illustrations and modern photos and told largely through the words of those who fought there *Germantown* is a major contribution to American Revolutionary studies
