Ewart,2018-10-09 We never outgrow our appreciation for a good story especially if it s true All of these stories are true in three important ways First they happened just as I have written them Second each is a snapshot of a teachable moment in my life that tattooed itself into me got under my skin and has colored who I am today Finally these stories are true because they resonate with the oldest and truest stories I know Thousands of years ago some grandpas began writing down their true stories of life and faith for their grandchildren Their Bible stories are older and better than my stories but mine are a kind of modern day footnote to theirs In spite of the thousands of years between us the authors of Scripture and I believe that God speaks to us in our daily experiences It is this grandfather s privilege and joy to learn from what He has said and to pass it on
