Language Evolution Contact Competition And Change

Salikoko S Mufwene

Umberto Ansaldo

Language Evolution Contact Competition And Change Salikoko S Mufwene:

Language Evolution Salikoko S. Mufwene, 2008-03-31 Languages are constantly changing New words are added to the English language every year either borrowed or coined and there is often railing against the decline of the language by public figures Some languages such as French and Finnish have academies to protect them against foreign imports Yet languages are species like constructs which evolve naturally over time Migration imperialism and globalization have blurred boundaries between many of them producing new ones such as creoles and driving some to extinction This book examines the processes by which languages change from the macroecological perspective of competition and natural selection In a series of chapters Salikoko Mufwene examines such themes as natural selection in language the actuation question and the invisible hand that drives evolution multilingualism and language contact language birth and language death the emergence of Creoles and Pidgins the varying impacts of colonization and globalization on language vitality This comprehensive examination of the organic evolution of language will be essential reading for graduate and senior undergraduate students and for researchers on the social dynamics of language variation and change language vitality and death and even the origins of linguistic diversity

Contact Languages Umberto Ansaldi, 2009-10-15 Why do groups of speakers in certain times and places come up with new varieties of languages What are the social settings that determine whether a mixed language a pidgin or a Creole will develop and how can we understand the ways in which different languages contribute to the new grammar Through the study of Malay contact varieties such as Baba Malay Cocos Malay and Sri Lanka Malay as well as the Asian Portuguese vernacular of Macau and China Coast Pidgin this book explores the social and structural dynamics that underlie the fascinating phenomenon of the creation of new or restructured grammars It emphasizes the importance and interplay of historical documentation socio cultural observation and linguistic analysis in the study of contact languages offering an evolutionary framework for the study of contact language formation including pidgins and Creoles in which historical socio cultural and typological observations come together

Language Competition and Shift in New Australia, Paraguay Danae Perez, 2019-10-24 This book is an innovative sociolinguistic study of New Australia an Australian immigrant community in Paraguay in 1893 whose descendants today speak Guaraní Providing fresh data on a previously under researched community who are an extremely rare case of language shifting from English heritage language to a local indigenous language the case study is situated within the wider context of the colonial and post colonial spread of English in Latin America over the past century Drawing on insights from linguistic anthropology sociolinguistics Latin American studies and history the author presents the history of the colony before closely analysing the interplay of language and identity in this uniquely diasporic setting This book fills a longstanding gap in the World Englishes and heritage languages literature and it will be of interest to scholars of colonial and postcolonial languages and minority language more generally

The Handbook of Language Contact Raymond Hickey, 2020-09-01 The second edition of the definitive reference on contact studies

and linguistic change provides extensive new research and original case studies Language contact is a dynamic area of contemporary linguistic research that studies how language changes when speakers of different languages interact Accessibly structured into three sections The Handbook of Language Contact explores the role of contact studies within the field of linguistics the value of contact studies for language change research and the relevance of language contact for sociolinguistics This authoritative volume presents original findings and fresh research directions from an international team of prominent experts Thirty seven specially commissioned chapters cover a broad range of topics and case studies of contact from around the world Now in its second edition this valuable reference has been extensively updated with new chapters on topics including globalization language acquisition creolization code switching and genetic classification Fresh case studies examine Romance Indo European African Mayan and many other languages in both the past and the present Addressing the major issues in the field of language contact studies this volume Includes a representative sample of individual studies which re evaluate the role of language contact in the broader context of language and society Offers 23 new chapters written by leading scholars Examines language contact in different societies including many in Africa and Asia Provides a cross section of case studies drawing on languages across the world The Handbook of Language Contact Second Edition is an indispensable resource for researchers scholars and students involved in language contact language variation and change sociolinguistics bilingualism and language theory

Complex Processes in New Languages Enoch Oladé Aboh, Norval Smith, 2009 In recent years there has been a new interest in evaluating complex structures in languages The implications of such studies are varied e g the distinction between supposedly more complex and less complex languages how complexity relates to human knowledge of language and the role of the reduction or increase of complexity in language change and creolization This book focuses on the latter issue but the conclusions presented here hold of typological complexity in general The chapters in this book show that the notion of complexity as conceived of in linguistics mainly centres on the outer manifestations of language e g numbers of affixes This exercise is useful in establishing the patterning of languages in terms of their degrees of analyticity or synthesis but it fails to address the properties of the inner rules of these grammars and how these relate to the computational system that governs the human language capacity Put simply issues of complexity should not be equated with the complexity observed in surface patterns of grammars alone

The Sociolinguistics of Grammar Tor A. Åfarli, Brit Maehlum, 2014-04-16 The aim of this book is to investigate and attain new insights on how and to what extent the wider sociolinguistic context of language use and contact impinges on formal grammatical structures The papers contained in the book approach this important problem from various points of view by focusing on language evolution and change on multilingualism language mixing and dialect variation on spoken language and on creole languages Given the theoretical perspectives methodological focus and analyses the book will be of interest to theoretical linguists as well as sociolinguists from undergraduate students to researchers

Language Dispersal, Diversification, and Contact Emily

Irene Crevels, Pieter Muysken, 2020 This book addresses the complex question of how and why languages have spread across the globe International experts in the field explore this issue using new analytical research techniques and drawing on large databases with a focus on the language and population histories of Island Southeast Asia Oceania Africa and South America

Remember Me Charles Joyner, 2011-03-15 Remember Me is a short primer on the coast of Georgia and its unique African cultural heritage Charles Joyner offers a rich picture of that culture s stories songs and traditions as well as the nineteenth century plantation life in which it endured

How English Became the Global Language D.

Northrup, 2013-03-20 In this book the first written about the globalization of the English language by a professional historian the exploration of English s global ascendancy receives its proper historical due This brief accessible volume breaks new ground in its organization emphasis on causation and conclusions

The Cambridge Handbook of Sociolinguistics Rajend Mesthrie, 2011-10-06 The most comprehensive overview available this Handbook is an essential guide to sociolinguistics today Reflecting the breadth of research in the field it surveys a range of topics and approaches in the study of language variation and use in society As well as linguistic perspectives the handbook includes insights from anthropology social psychology the study of discourse and power conversation analysis theories of style and styling language contact and applied sociolinguistics Language practices seem to have reached new levels since the communications revolution of the late twentieth century At the same time face to face communication is still the main force of language identity even if social and peer networks of the traditional face to face nature are facing stiff competition of the Facebook to Facebook sort The most authoritative guide to the state of the field this handbook shows that sociolinguistics provides us with the best tools for understanding our unfolding evolution as social beings

Syntactic Change in Late Modern English Erik

Smitterberg, 2021-11-25 This book provides a fresh perspective on language change in Late Modern English and is illustrated with corpus linguistic case studies

Endangered Languages and Languages in Danger Luna Filipović, Martin

Pütz, 2016-10-03 This peer reviewed collection brings together the latest research on language endangerment and language rights It creates a vibrant interdisciplinary platform for the discussion of the most pertinent and urgent topics central to vitality and equality of languages in today s globalised world The novelty of the volume lies in the multifaceted view on the variety of dangers that languages face today such as extinction through dwindling speaker populations and lack of adequate preservation policies or inequality in different social contexts e g access to justice education and research resources There are examples of both loss and survival and discussion of multiple factors that condition these two different outcomes We pose and answer difficult questions such as whether forced interventions in preventing loss are always warranted or indeed viable The emerging shared perspective is that of hope to inspire action towards improving the position of different languages and their speakers through research of this kind

The Linguistics of the History of English Remco Knooihuizen, 2023-10-27

This textbook approaches the history of English from a theoretical perspective The book provides a brief chronological

overview describing the way in which the English language has changed over time from Old English to Modern English while subsequent parts adopt a theoretical focus that is thematically organised to deal with the question of how and why English changed in the way it did including a part addressing some specific contact induced changes and key topics such as English as a Lingua Franca Supported throughout with information boxes with empirical studies the examples given are all drawn from English but boxes with examples from other languages tie the development of the English language into changes in other contexts and settings This book is an ideal resource for undergraduate students of the English Language and historical linguistics

Morpho-Syntactic Patterns in Spoken Korean English Sofia Rüdiger,2019-07-15 Morpho Syntactic Patterns in Spoken Korean English presents fundamental research on the use of English by South Korean speakers Despite the extraordinary and vibrant status of the English language in South Korean society demonstrated for example by the notion of English Fever research on the forms of English in the South Korean context has been sadly neglected in the study of World Englishes This monograph is the first to provide a rich and contextualized description of the Korean English morpho syntactic repertoire It draws on the specifically compiled Spoken Korean English SPOKE corpus to shed light on Korean uses of plural marking articles pronouns prepositions and verbs in spoken English and demonstrates that English is indeed the language of those who use it This volume will be highly relevant for researchers interested in Expanding Circle Englishes Asian Englishes spoken language corpora and morpho syntactic variation

English Historical Linguistics. Volume 1 Alexander Bergs,Laurel J. Brinton,2012-05-29 No detailed description available for HIST LINGUISTICS BERGS BRINTON 1 TLBD HSK 34 1 E BOOK

Word Knowledge and Word Usage Vito Pirrelli,Ingo Plag,Wolfgang U. Dressler,2020-04-20 Word storage and processing define a multi factorial domain of scientific inquiry whose thorough investigation goes well beyond the boundaries of traditional disciplinary taxonomies to require synergic integration of a wide range of methods techniques and empirical and experimental findings The present book intends to approach a few central issues concerning the organization structure and functioning of the Mental Lexicon by asking domain experts to look at common central topics from complementary standpoints and discuss the advantages of developing converging perspectives The book will explore the connections between computational and algorithmic models of the mental lexicon word frequency distributions and information theoretical measures of word families statistical correlations across psycho linguistic and cognitive evidence principles of machine learning and integrative brain models of word storage and processing Main goal of the book will be to map out the landscape of future research in this area to foster the development of interdisciplinary curricula and help single domain specialists understand and address issues and questions as they are raised in other disciplines

Ethnicities and Tribes in Sub-Saharan Africa S. N. Sangmpam,2017-03-08 This book proposes new avenues for understanding tribal allegiance in Sub Saharan Africa Much research on ethnicity and cultural pluralism in Sub Saharan Africa falsely equates the term tribe with ethnicity and obscures the differences between Sub Saharan Africa and other regions It also puts too much emphasis on the

role of the colonial state in fostering tribal allegiance This book challenges these claims and offers an alternate way of understanding tribal allegiance in Sub Saharan Africa Simplicity and Typological Effects in the Emergence of New Englishes Thomas Brunner,2017-07-24 The book is based on a detailed corpus based investigation of the structure of noun phrases NPs in Singaporean English and Kenyan English with the aim of detecting on the one hand typological effects from substrate languages and on the other hand simplification patterns known to play a role in such varieties **The Languages of Urban Africa** Fiona Mc Laughlin,2011-10-27 The Languages of Urban Africa consists of a series of case studies that address four main themes The first is the history of African urban languages The second set focus on theoretical issues in the study of African urban languages exploring the outcomes of intense multilingualism and also the ways in which urban dwellers form their speech communities The volume then moves on to explore the relationship between language and identity in the urban setting The final two case studies in the volume address the evolution of urban languages in Africa This rich set of chapters examine languages and speech communities in ten geographically diverse African urban centres covering almost all regions of the continent Half involve Francophone cities the other half Anglophone This exciting volume shows us what the study of urban African languages can tell us about language and about African societies in general It is essential reading for upper level undergraduates postgraduates and researchers in sociolinguistics especially those interested in the language of Africa **Manual of Romance Sociolinguistics** Wendy Ayres-Bennett,Janice Carruthers,2018-06-11 The Romance languages offer a particularly fertile ground for the exploration of the relationship between language and society in different social contexts and communities Focusing on a wide range of Romance languages from national languages to minoritised varieties this volume explores questions concerning linguistic diversity and multilingualism language contact medium and genre variation and change It will interest researchers and policy makers alike

Language Evolution Contact Competition And Change Salikoko S Mufwene Introduction

In the digital age, access to information has become easier than ever before. The ability to download Language Evolution Contact Competition And Change Salikoko S Mufwene has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Language Evolution Contact Competition And Change Salikoko S Mufwene has opened up a world of possibilities. Downloading Language Evolution Contact Competition And Change Salikoko S Mufwene provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Language Evolution Contact Competition And Change Salikoko S Mufwene has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Language Evolution Contact Competition And Change Salikoko S Mufwene. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Language Evolution Contact Competition And Change Salikoko S Mufwene. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Language Evolution Contact Competition And Change Salikoko S Mufwene, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities

in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Language Evolution Contact Competition And Change Salikoko S Mufwene has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Language Evolution Contact Competition And Change Salikoko S Mufwene Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Language Evolution Contact Competition And Change Salikoko S Mufwene is one of the best book in our library for free trial. We provide copy of Language Evolution Contact Competition And Change Salikoko S Mufwene in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Language Evolution Contact Competition And Change Salikoko S Mufwene. Where to download Language Evolution Contact Competition And Change Salikoko S Mufwene online for free? Are you looking for Language Evolution Contact Competition And Change Salikoko S Mufwene PDF? This is definitely going to save you time and cash in something you should think about.
