*An Ultimate Therapy to Save Their Children* Isaac Mampuya Samba, 2016-06-25 And so their heels Julio Fernandez and even think to take it would actually now proves to be a real disaster A True Love Sorrow This grief rush Maryvonne KEVILER in a real nervous breakdown depression which would slowly and very surely trashing the only child Parents of the later with a significant portion of their wealth would do little reluctant to use such blunt unorthodox methods contrary to Law and morality methods briefly Machiavellian methods to bring JULIO into the arms of their only daughter to save her life and at the same time to ensure consequently the legacy of their wealth in peace after death Why MARYVONNE's parents were adamant that guarantee This is simply because in their minds If she that is to say their only daughter MARYVONNE had e.g. coincidentally to die of a nervous breakdown in this case

her son LUCILIAN too could possibly fall into any nervous breakdown thinking naturally to his mother and he could well eventually pass away also In this case their efforts would be for example one way or another simply wasted after death That was why they that is to say the wealthy parents of Miss Maryvonne KEVILER held to guarantee absolutely the succession in peace Therefore according to their own way of doing things Use methods even if the methods in question are just Machiavellian to save their single offspring while evil or very evil someone else the way would really be there the ultimate confidential therapy for this indirect emotional suffering for this indirect afflictive suffering if you could call it like this Suffering which would affect now at Real Maryvonne KEVILERS parents      **Coriolan** William Shakespeare,1843
