Maximum Attempts Question Personal Finance:

An Engineer's Attempt to Explain Personal Finance William C Wheeler, 2017-03-23 Personal financial planning is often considered a complicated and unpleasant topic. It is ignored as long as possible until the reality of its hold on our life becomes relevant. Unfortunately by then it may be a rough journey ahead. Written by an engineer who has experienced many facets of financial challenges throughout his life, sustainable concepts are presented in an easy to read format for those who do not have extensive financial backgrounds. This book is intended for all those who work hard to earn a living. Those who are new to the workforce, those who have seen the recent ups and downs in the economy and retirement is on the future horizon and as those who are at the conclusion of their career and are planning to retire will all benefit from the information presented.
