Modern China Rana Mitter, 2009 A brief introduction to the history politics society and culture of China

Modern China: A Very Short Introduction Rana Mitter, 2008-02-28 China today is never out of the news from human rights controversies and the continued legacy of Tiananmen Square to global coverage of the Beijing Olympics and the Chinese economic miracle It seems a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader with no previous knowledge of China a variety of ways to understand the world's most populous nation giving a short integrated picture of modern Chinese society culture economy politics and art ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Mao: A Very Short Introduction

Delia Davin, 2013-04-25 As a giant of 20th century history Mao Zedong played many roles peasant revolutionary patriotic leader against the Japanese occupation Marxist theoretician modernizer and visionary despot This Very Short Introduction chronicles Mao's journey from peasant child to ruler of the most populous nation on Earth He was a founder of both the Chinese Communist Party and the Red Army and for many years he fought on two fronts for control of the Party and in an armed struggle for the Party's control of the country His revolution unified China and began its rise to world power status He was the architect of the Great Leap Forward that he hoped would make China both prosperous and egalitarian but instead ended in economic disaster resulting in millions of deaths It was Mao's growing suspicion of his fellow leaders that led him to launch the Cultural Revolution and his last years were dogged by ill health and his despairing attempts to find a successor whom he trusted Delia Davin provides an invaluable introduction to Mao showing him in all his complexity ruthless brutal and ambitious a man of enormous talent and perception yet a leader who is still detested by some and venerated by others

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

China in the 21st Century Jeffrey N. Wasserstrom,2013-09-26 Jeffrey Wasserstrom offers a fully updated and revised edition of his popular introduction to China providing cogent answers to the most urgent questions regarding modern China and a framework for understanding its meteoric rise

Modern China Xiaobing Li,2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Don't Tell the Boss! Dmitry Chernov,Didier Sornette,Giovanni Sansavini,Ali Ayoub,2023-01-20 After a major disaster when investigators are piecing together the story of what happened a striking fact often emerges before disaster struck some people in the organization involved were aware of dangerous conditions that had the potential to escalate to a critical level But for a variety of reasons this crucial information did not reach decision makers So the organization moved ever closer to catastrophe effectively unaware of the possible threat despite the fact that some of its employees could see it coming What is the problem with communication about risk in an organization and why does this problem exist What stops people in organizations or project teams from freely reporting and discussing critical risks This book seeks to answer these questions starting from a deep analysis of 20 disasters where the concealment of risks played a major part These case studies are drawn from around the world and span a range of industries civil nuclear power coal oil and gas production hydropower energy metals and mining space exploration transport finance retail manufacturing and even the response of governments to wars famines and epidemics Together case studies give an insight into why people hesitate to report risks and even when they do why their superiors often prefer to ignore the news The book reviews existing research on the challenges of voice and silence in organizations This helps to explain more generally why people dread passing on bad news to others and why in the workplace they prefer to keep quiet about

unpleasant facts or potential risks when they are talking to superiors and colleagues The discussion section of the book includes important examples of concealment within the Chinese state hierarchy as well as by leading epidemiologists and governments in the West during the novel coronavirus outbreak in Wuhan in 2019-2020 The full picture of the very early stage of the COVID-19 pandemic remains unclear and further research is obviously needed to better understand what motivated some municipal, provincial and national officials in China as well as Western counterparts to obfuscate facts in their internal communications about many issues associated with the outbreak

The Global 1980s Jonathan Davis, 2019-03-28 The Global 1980s takes an international perspective on the upheaval across the world during the long 1980s 1979-1991 with the end of the Cold War a move towards a free market economic system and the increasing connectedness of the world The 1980s was a decade of unimaginable change At its start dictatorships across the world appeared stable the state was still seen as having a role to play in ensuring people's well-being and the Cold War seemed set to continue long into the future By the end of the decade dictatorships had fallen globalisation was on the march and the opening of the Berlin Wall paved the way for the end of the Cold War Divided into four chronological parts sixteen chapters on themes including domestic politics the global spread of democracy international relations and global concerns including AIDS acid rain and nuclear war explore how world-wide change was initiated both from above and below The book covers such topics as ideological changes in the liberal democratic west and socialist east protests against nuclear weapons and for democratic governance global environmental worries and the end of apartheid in South Africa Offering an overview of a decade in transition as the global order established after 1945 broke down and a new globalised world order emerged and supported by case studies from across the world this truly global book is an essential resource for students and scholars of the long 1980s and the twentieth century more generally

From the Dragon's Mouth Ana Fuentes, 2013-04-17 WHO ARE THE CHINESE Through on the ground interviews Ana Fuentes uncovers the real China and offers a panoramic look at Chinese culture from the point of view of its citizens She spent nearly 4 years living and working in China and discovered a world few have written about until now FROM THE DRAGON'S MOUTH Ten True Stories that Unveil the Real China is an exquisitely intimate look into the China of the 21st century as seen through the eyes of its people This is the first time that a book combines the voices of everyday Chinese people from so many different layers of society a dissident tortured by the police a young millionaire devoted to nationalism a peasant turned prostitute to pay for the best education for her son a woman who married her gay friend to escape from social pressure just like an estimated 16 million other women a venerable Kung Fu master unable to train outdoors because of the hazardous pollution the daughter of two Communist Party officials getting rich coaching Chinese entrepreneurs in the ways of Capitalism among others ANA FUENTES is a journalist whose reports have been broadcast on three continents by Radio Netherlands Prisa Radio CNN en español and others Ana holds a degree in Journalism from the Complutense University in Madrid and the Sorbonne University in Paris and a Master's in

Journalism from El País and the University Autónoma in Madrid The European Union and China Georg Wiessala, J. F. Wilson, Pradeep Taneja, 2009 EUROPEAN STUDIES An Interdisciplinary Series in European Culture History and Politics Contents Authors in this Volume Introduction THE CONTEXT OF EU CHINA RELATIONS AND THE HUMAN RIGHTS DILEMMA Eu China Relations Historical and Contemporary Perspectives The Development of Eu China Relations The Eu and China in the Context of Inter regionalism Duality Dialogue Discourse Some Perspectives on Human Rights in Eu China Relations Sport and Politics The 2008 Beijing Olympic Games ASPECTS OF THE GEO POLITICAL SETTING OF EU CHINA INTERACTION China Views Europe A Multi polar Perspective The European Union and China Indian Perceptions and Perspectives Russia's Closer Ties with China The Geo politics of Energy and the Implications for the European Union The European Union China and the United States Complex Interdependence and Bi multilateralism in Commercial Relations The European Union's Economic Ties with the Republic of China Taiwan ISSUES POLICIES PERCEPTIONS China News Media Freedom and the West Present and Future Perspectives Trade and Investment in the Relations Between the European Union and the People's Republic of China Eu china Foreign Direct Investment A Double sided Perspective China's Search for Energy Security and Eu China Relations Recent Chinese Practice In the Maintenance of Maritime Security and the European Experience Conclusions Towards an Eu China Research Agenda 2010 Chinese Migrant Entrepreneurship in Australia from the 1990s Jia Gao, 2015-08-08 For more than two decades Australia has not only prospered without a recession but has achieved a higher growth rate than any Western country This achievement has been credited to Australia's historic shift to Asia the transformation of the relationship between these two countries is one of the most important changes in the Asia Pacific region However the role of new Chinese migrants in transforming Sino Australian relations through their entrepreneurial activities has not been deeply explored Chinese Migrant Entrepreneurship in Australia from the 1990s adds new theoretical considerations and empirical evidence to a growing interest in entrepreneurship and presents an account of a group of new Chinese migrant entrepreneurs who have succeeded in their business ventures significantly contributing to both Australia and China The first chapter introduces the history between Australia and China followed by chapters focusing on post migration realities economic opportunities Chinese outbound tourism and the use of community media The final chapter concludes with a summary Focuses on the people whose entrepreneurial activities have spread across industries and facilitated trade and cultural contacts Analyses the experiences of the new migrants from China Offers evidence that challenges outdated but still widely held assumptions about ethnic Chinese entrepreneurs Presents longitudinal research on the new Chinese migrant community in Australia since the late 1980s Demonstrates a dynamic process that challenges the overemphasis on the impact of globalisation on Chinese entrepreneurs London After Recession Iain MacRury, 2016-05-06 The City has long been the main generator of London's wealth and needless to say the impact of the Economic Crisis in the recent years on the City has greatly affected the wider urban and surrounding region not to say country as a whole This book

examines the impact of the recession and discusses London's future trajectory as an entrepreneurial city and capital of the United Kingdom. While recognising the enduring capacity of London to reinvent itself from being the centre of a vast Empire to becoming a global centre for financial and business services, contributors evaluate different dimensions of the city's current and future development through analyses derived from sociological, economic, cultural and urban studies perspectives.

American Exodus Charlotte Brooks, 2019-08-27 In the first decades of the 20th century, almost half of the Chinese Americans born in the United States moved to China, a relocation they assumed would be permanent. At a time when people from around the world flocked to the United States, this little noticed emigration belied America's image as a magnet for immigrants and a land of upward mobility for all. Fleeing racism, Chinese Americans who sought greater opportunities saw China a tottering empire and then a struggling republic as their promised land. *American Exodus* is the first book to explore this extraordinary migration of Chinese Americans. Their exodus shaped Sino-American relations, the development of key economic sectors in China, the character of social life in its coastal cities, debates about the meaning of culture and modernity there and the U.S. government's approach to citizenship and expatriation in the interwar years. Spanning multiple fields, exploring numerous cities and crisscrossing the Pacific Ocean, this book will appeal to anyone interested in Chinese history, international relations, immigration history and Asian American studies.

The Lure of the City Austin Williams, Alastair Donald, 2011-09-12 Cities by their very nature are a mass of contradictions. They can be at once visually stunning, culturally rich, exploitative and unforgiving. In *The Lure of the City*, Austin Williams and Alastair Donald explore the potential of cities to meet the economic, social and political challenges of the current age. This book seeks to examine the dynamics of urban life, showing that new opportunities can be maximised and social advances realised in existing and emerging urban centres. The book explores both the planned and organic nature of urban developments and the impacts and aspirations of the people who live and work in them. It argues convincingly that the metropolitan mindset is essential to the struggle for human liberation. The short, accessibly written essays are guaranteed to spark debate across the media and academia about the place of cities and urban life in our ever-changing world.

Intellectual Discourse in Reform Era China Giorgio Strafella, 2016-11-18 This book explores intellectual discourse in reform era China by analysing the so-called debate on the spirit of the Humanities which occurred in the years 1993-95 and which is recognised by scholars as one of the most interesting, influential and important debates of the 1990s. This debate, in which Chinese intellectuals reflected on reform era mass culture and on their role in society, was the first debate in China after the crackdown of 1989 and the launch of new economic reforms after Deng Xiaoping's 1992 southern tour. The book, drawing on a large corpus of texts and a wide range of individual positions, demonstrates how Chinese intellectuals, having to face the combination of political repression and economic liberalisation, conceptualised and reacted to both. The book reveals the scale and complexity of the debate, the nature of intellectual life in China, the status and relevance of intellectual voices in society, the divisions within the intellectual sphere as well as shared

concepts and ideals and how the key factors of political repression and economic liberalisation which remain central in China today were defined and articulated

49 Myths about China Marte Kjær Galtung, Stig Stenslie, 2014-11-13 Communism is dead in China China Inc is buying up the world China has the United States over a barrel The Chinese are just copycats China is an environmental baddie China is colonizing Africa Mao was a monster The end of the Communist regime is near The 21st century belongs to China Or does it Marte Kjær Galtung and Stig Stenslie highlight 49 prevalent myths about China's past present and future and weigh their truth or fiction Leading an enlightening and entertaining tour the authors debunk widespread knowledge about Chinese culture society politics and economy In some cases Chinese themselves encourage mistaken impressions But many of these myths are really about how we Westerners see ourselves inasmuch as China or the Chinese people are depicted as what we are not Western perceptions of the empire in the East have for centuries oscillated between sinophilia and sinophobia influenced by historical changes in the West as much as by events in China This timely and provocative book offers an engaging and compelling window on a rising power we often misunderstand

Strait Rituals Pang Yang Huei, 2019-03-01 The two Taiwan Strait crises took place during a particularly tense period of the Cold War Although each incident was relatively brief their consequences loom large Based on analyses of newly available documents from Beijing Taipei and Washington Pang Yang Huei challenges conventional wisdom that claims Sino US misperceptions of each other's strategic concerns were critical in the 1950s He underscores the fact that Washington Taipei and Beijing were actually aware of one another's strategic intentions during the crises He also demonstrates conclusively that both crises can be understood as a transformation from tacit communication to tacit accommodation An important contribution of this study is a better understanding of the role of ritual symbols and gestures in international relations While it is true that these two crises resulted in a stalemate the fact that all parties were able to cultivate talks and negotiations brought relations especially between the US and China to a new and more stable level Simply averting the threat of war was a major achievement Strait Rituals is an important micro history of a significant moment during the Cold War and a rich interpretation of the theoretical use of multiple points of view in writing history It sets a new standard for understanding China's place in the world Strait Rituals is a solidly detailed and thoroughly footnoted excursion into a critical stage of Cold War history Dr Pang's exhaustive archival work sets a real standard in the amalgamation of different sources to reevaluate the Taiwan Strait crises in the 1950s the repercussions of which can still be felt today Hsiao ting Lin Hoover Institution Stanford University An excellent book for those interested in the Taiwan Strait crises in the context of the overall history of international affairs in the Asia Pacific region The book will prove to be of great value to those interested in the history of the region that is bound to increase in importance in the years to come Akira Iriye Harvard University Dispassionate balanced rigorous in the presentation of facts much drawn from Chinese archival sources Pang Yang Huei's work will be indispensable for anyone seeking to understand the issues surrounding this Cold War hangover that continues to trouble contemporary

politics across the Taiwan Strait Geoffrey C Gunn *Journal of Contemporary Asia* *Pearl S. Buck's Novels of China and America* Rob Hardy, 2021-08-30 This book the first single authored book length study of Buck s fiction for over twenty years shows how Buck s thought developed through the medium of her fiction from her early turbulent years in China to her last lonely days in the United States with chapters examining her loss of faith in Christianity her reflections on Chinese life during and after the breakdown of Old China her voluminous reading her confrontation with the horrors of American racism and sexism after her return to the United States and her final metaphorical search for home as she approached death The book argues that Buck the first American woman to win both the Pulitzer and Nobel prizes for literature was a heroic forerunner of those who while occupying a place in the world never feel fully at home there in Buck s case because her Chinese identity throughout her life struggled with her American For this reason Pearl S Buck s fiction deserves to be considered alongside that of writers such as Anchee Min Maxine Hong Kingston and Amy Tan The book s central claim is that Buck is a major novelist capable of speaking to the distress of our times richly deserving the honor she has received in China and deserving greater recognition in the United States *A New Literary History of Modern China* David Der-wei Wang, 2017-05-22 Literature from the Chinese perspective makes manifest the cosmic patterns that shape and complete the world a process of worlding that is much more than mere representation In that spirit *A New Literary History of Modern China* looks beyond state sanctioned works and official narratives to reveal China as it has seldom been seen before through a rich spectrum of writings covering Chinese literature from the late seventeenth century to the present Featuring over 140 Chinese and non Chinese contributors from throughout the world this landmark volume explores unconventional forms as well as traditional genres pop song lyrics and presidential speeches political treatises and prison house jottings to name just a few Major figures such as Lu Xun Shen Congwen Eileen Chang and Mo Yan appear in a new light while lesser known works illuminate turning points in recent history with unexpected clarity and force Many essays emphasize Chinese authors influence on foreign writers as well as China s receptivity to outside literary influences Contemporary works that engage with ethnic minorities and environmental issues take their place in the critical discussion alongside writers who embraced Chinese traditions and others who resisted Writers assessments of the popularity of translated foreign language classics and avant garde subjects refute the notion of China as an insular and inward looking culture A vibrant collection of contrasting voices and points of view *A New Literary History of Modern China* is essential reading for anyone seeking a deeper understanding of China s literary and cultural legacy **1919 - The Year That Changed China** Elisabeth Forster, 2018-03-05 The year 1919 changed Chinese culture radically but in a way that completely took contemporaries by surprise At the beginning of the year even well informed intellectuals did not anticipate that for instance baihua aprecursor of the modern Chinese language communism Hu Shi and Chen Duxiu would become important and famous all of which was very obvious to them at the end of the year Elisabeth Forster traces the precise mechanisms behind this transformation on the basis of a rich variety of sources

including newspapers personal letters student essays advertisements textbooks and diaries She proposes a new model for cultural change which puts intellectual marketing at its core This book retells the story of the New Culture Movement in light of the diversified and decentered picture of Republican China developed in recent scholarship It is a lively and ironic narrative about cultural change through academic infighting rumors and conspiracy theories newspaper stories and intellectuals hell bent on selling agendas through powerful buzzwords

Modern China A Very Short Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern China A Very Short Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern China A Very Short Introduction has opened up a world of possibilities. Downloading Modern China A Very Short Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern China A Very Short Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern China A Very Short Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern China A Very Short Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern China A Very Short Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern China A Very Short Introduction has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern China A Very Short Introduction Books

What is a Modern China A Very Short Introduction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern China A Very Short Introduction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern China A Very Short Introduction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern China A Very Short Introduction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern China A Very Short Introduction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing

restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
