Modernism And The Reinvention Of Decadence:

Modernism and the Reinvention of Decadence Vincent B. Sherry, 2015 This volume explores the idea of decadence through readings of major modernist writers such as Ezra Pound and T S Eliot Modernism and the Reinvention of Decadence Vincent B. Sherry, 2014 In this major new book Vincent Sherry reveals a fresh continuity in literary history He traces the idea of decadence back to key events from the failures of the French Revolution to the cataclysm of the Great War This powerful work of literary criticism and literary history encompasses a rich trajectory that begins with an exposition of the English Romantic poets and ends with a re evaluation of modernists as varied as W B Yeats Henry James Joseph Conrad Rebecca West Djuna Barnes Samuel Beckett and centrally Ezra Pound and T S Eliot Sherry s hugely ambitious study will be essential reading for anyone working in modernist studies and twentieth century literature more generally **The**

Contemporaneity of Modernism Michael D'Arcy, Mathias Nilges, 2015-10-23 At a juncture in which art and culture are saturated with the forces of commodification this book argues that problems forms and positions that defined modernism are crucially relevant to the condition of contemporary art and culture The volume is attuned to the central concerns of recent scholarship on modernism and contemporary culture the problems of aesthetic autonomy and the specific role of art in preserving a critical standpoint for cultural production the relationship between politics and the category of the aesthetic the problems of temporality and contemporaneity literary transnationalism and the questions of medium and medium specificity Ranging across art forms mediums disciplines and geographical locations essays address the foundational questions that fuse modernism and the contemporary moment What is art What is the relation between art and the economy How do art and technology interpenetrate and transform each other What is modernism s logic of time and contemporaneity and how might it speak to the problem of thinking genuine novelty or the possibility of an alternative to the current stage of neo liberal capitalism What is modernism and what is its history The book is thus committed to revising our understanding of what modernism was in its earlier instantiations and in accounting for the current moment addressing the problems raised by modernism s afterlives and reverberations in the 20th and 21st centuries The volume includes essays that consider literature sociology philosophy visual art music architecture digital culture television and other artistic media It synthesizes the most recent thinking on modernism and contemporary culture and presents a compelling case for what happens to literature art and culture in the wake of the exhaustion of postmodernism This book will be of interest to those studying literature visual art media studies architecture literary theory modernism and twentieth century and contemporary culture more generally

Decadent Catholicism and the Making of Modernism Martin Lockerd, 2020-06-25 Tracing the movement of literary decadence from the writers of the fin de si cle Oscar Wilde Aubrey Beardsley Ernest Dowson and Lionel Johnson to the modernist writers of the following generation this book charts the legacy of decadent Catholicism in the fiction and poetry of British and Irish modernists Linking the later writers with their literary predecessors Martin Lockerd examines the shifts in

representation of Catholic decadence in the works of W B Yeats through Ezra Pound to T S Eliot the adoption and transformation of anti Catholicism in Irish writers George Moore and James Joyce the Catholic literary revival as portrayed in Evelyn Waugh's *Brideshead Revisited* and the attraction to decadent Catholicism still felt by postmodernist writers D B C Pierre and Alan Hollinghurst Drawing on new archival research this study revisits some of the central works of modernist literature and undermines existing myths of modernist newness and secularism to supplant them with a record of spiritual turmoil metaphysical uncertainty and a project of cultural subversion that paradoxically relied upon the institutional bulwark of European Christianity Lockerd explores the aesthetic sexual and political implications of the relationship between decadent art and Catholicism as it found a new voice in the works of iconoclastic modernist writers

Decadent

Romanticism: 1780-1914 Kostas Boyiopoulos, Mark Sandy, 2016-04-08 For Decadent authors Romanticism was a source of powerful imaginative revisionism perversion transition and partial negation But for all these strong Decadent reactions against the period the cultural phenomenon of Decadence shared with Romanticism a mutual distrust of the philosophy of utilitarianism and the aesthetics of neo Classicism Reflecting on the interstices between Romantic and Decadent literature Decadent Romanticism reassesses the diverse and creative reactions of Decadent authors to Romanticism between 1780 and 1914 while also remaining alert to the prescience of the Romantic imagination to envisage its own distorted darker perverted other self Creative pairings include William Blake and his Decadent critics the recurring figure of the sphinx in the work of Thomas De Quincey and Decadent writers and Percy Shelley with both Mathilde Blind and Swinburne Not surprisingly John Keats's works are a particular focus in essays that explore Keats's literary and visual legacies and his resonance for writers who considered him an icon of art for art's sake Crucial to this critical reassessment are the shared obsessions of Romanticism and Decadence with subjectivity isolation addiction fragmentation representation romance and voyeurism as well as a poetics of desire and anxieties over the purpose of aestheticism

Form and Modernity in Women's Poetry, 1895-1922 Sarah Parker, 2024-02-29 While W B Yeats's influential account of the Tragic Generation claims that most fin de siècle poets died or at least stopped writing shortly after 1900 this book explodes this narrative by attending to the twentieth century poetry produced by women poets Alice Meynell Michael Field Katharine Bradley and Edith Cooper Dollie Radford and Katharine Tynan While primarily associated with the late nineteenth century these poets were active in the twentieth century but their later writing is overlooked in modernist dominated studies partly due to this poetry's adherence to traditional form This book reveals that these poets far from being irrelevant to modernity used these established forms to address contemporary concerns including suffrage sexuality motherhood and the First World War The chapters focus on Meynell's manipulations of metre to contemplate temporality and literary tradition Michael Field's use of blank verse to portray the conflicted modern woman Radford's adaptation of the aesthetic song like lyric to tackle the experience of the city urban crime and suffrage and Tynan's employment of the ballad to soothe bereaved mothers during the First World War This

book ultimately shows that traditional forms played a vital role in shaping mature women poets responses to modernity illuminating debates about form tradition and gender in twentieth century poetry *Edinburgh Companion to Fin de Siecle Literature, Culture and the Arts* Josephine M. Guy, 2017-10-23 The late nineteenth century fin de si cle has proved an enduringly fascinating moment in literary and cultural history It is associated with the emergence of intriguing figures such as the new woman and uranian with contradictory impulses of decadence and decay on the one hand and of experiment and renewal on the other as well as with unprecedented intercultural exchange especially between Britain and France The 22 newly commissioned essays collected here re examine some of the key concepts taken to define the fin de si cle while also introducing hitherto overlooked cultural phenomena into the frame such as the importance of humanitarianism The impact of recent research in material culture is explored particularly how the history of the book and the history of performance culture is changing our understanding of this period A wide range of cultural activities is discussed from participation in avant garde theatre to interior decoration and from the writing of poetry to political and religious activism Together the essays provide new scholarly insights into British fin de si cle and enrich our understanding of this complex period while paying particular attention to the importance of regionalism

How Dark Is My Flower Leith Morton, 2023-01-30 The poetry of Yosano Akiko covers all the many and varied aspects of the experience of love from early romantic encounters between the lover and beloved to the intimate pleasures of mutual infatuation and then true love The journey outlined in Akiko s verse also grapples with jealousy and unrequited passion as Akiko s poem narrative treats the rivalry between herself and her best friend the poet Yamakawa Tomiko for the affection of the dashing young literary lion Yosano Tekkan who later became Akiko s husband Thus *How Dark Is My Flower* Yosano Akiko and the Invention of Romantic Love tells a number of stories a real life romance unfolds in the poetry of these three poets examined in the book as well as the story of the journey from romanticism to modernism undertaken by early 20th century Japanese poetry *How Dark Is My Flower* emphasizes the astonishing innovations in diction and style not to mention content in Akiko s work that transformed the tanka genre from a hidebound and conservative mode of verse to something much more daring and modern This book pays particular attention to poetry particularly the tanka genre in the evolution of modernism in Japanese literature and breaks new ground in the study of modern Japanese literature by examining the invention and evolution of the concept of romantic love

Rediscovering Rubén Darío through Translation Carlos F. Grigsby, 2024-06-13 A long overdue examination of Rub n Dar o s multilingual work and influences alongside the contexts and politics of canonization in world literature *Rediscovering Rub n Dar o through Translation* addresses the peculiar obscurity of Dar o by asking these questions How can one of the most important writers of a major world language be almost entirely unknown in the English speaking world How is it that other writers of the same language e g Lorca or Garc a M rquez achieve widespread recognition in the anglophone world while he remains unnoticed What role does translation play in this What can it tell us about the way in which world literature is

articulated Carlos F Grigsby approaches Dar o s oeuvre through translation In doing so he explores not only the place of Dar o in the translation of Spanish American literature into English but also the place of translation in Dar o s own writing The result is a double sided painting as it were the recto is titled Translation in Dar o and the verso Dar o in Translation This book challenges the field of world literature by revealing some of the biases present in its representation of Spanish American literature It adopts a multilingual framework chiefly using English Spanish French and to a lesser degree Latin and Catalan in analyzing Dar o s writing alongside that of his contemporaries As a result it reveals the multilingualism of Dar o s own writing opening new avenues for the study of his work and of Spanish American modernismo more generally

Lateness and Modern European Literature Ben Hutchinson, 2016-09-08 Modern European literature has traditionally been seen as a series of attempts to assert successive styles of writing as new In this groundbreaking study Ben Hutchinson argues that literary modernity can in fact be understood not as that which is new but as that which is late Exploring the ways in which European literature repeatedly defines itself through a sense of senescence or epigonality Hutchinson shows that the shifting manifestations of lateness since romanticism express modernity s continuing quest for legitimacy With reference to a wide range of authors from Mary Shelley Chateaubriand and Immermann via Baudelaire Henry James and Nietzsche to Valery Djuna Barnes and Adorno he combines close readings of canonical texts with historical and theoretical comparisons of numerous national contexts Out of this broad comparative sweep emerges a taxonomy of lateness of the diverse ways in which modern writers can be understood in the words of Nietzsche as creatures facing backwards Ambitious and original *Lateness and Modern European Literature* offers a significant new model for understanding literary modernity

The Routledge Companion to Literature and Religion Mark Knight, 2016-04-28 This unique and comprehensive volume looks at the study of literature and religion from a contemporary critical perspective Including discussion of global literature and world religions this Companion looks at Key moments in the story of religion and literary studies from Matthew Arnold through to the impact of 9 11 A variety of theoretical approaches to the study of religion and literature Different ways that religion and literature are connected from overtly religious writing to subtle

Political implications of work on religion and literature Thoroughly introduced and contextualised this volume is an engaging introduction to this huge and complex field *Jean Rhys's Modernist Bearings and Experimental Aesthetics* Sue Thomas,2022-01-27 Addressing Jean Rhys s composition and positioning of her fiction this book invites and challenges us to read the tacit silent and explicit textual bearings she offers and reveals new insights about the formation scope and complexity of Rhys s experimental aesthetics Tracing the distinctive and shifting evolution of Rhys s experimental aesthetics over her career Sue Thomas explores Rhys s practices of composition in her fiction and drafts as well as her self reflective comment on her writing The author examines patterns of interrelation intertextuality intermediality and allusion both diachronic and synchronic as well as the cultural histories entwined within them Through close analysis of these this book reveals new experimental thematic generic and political reaches of Rhys s fiction and sharpens our insight into her complex writerly affiliations and lineages **Symbolism 21** Florian Klaeger,Klaus Stierstorfer,Marlena Tronicke,2021-10-25 Special Focus Law and Literature This special focus issue of Symbolism takes a look at the theoretical equation of law and literature and its inherent symbolic dimension The authors all approach the subject from the perspective of literary and book studies foregrounding literature s potential to act as supplementary to a very wide variety of laws spread over historical geographical cultural and spatial grounds The theoretical ground laid here thus posits both literature and law in the narrow sense The articles gathered in this special issue analyse Anglophone literatures from the Renaissance to the present day and cover the three major genres narrative drama and poetry The contributions address questions of the law s psychoanalytic subconscious copyright and censorship literary negotiations of colonial and post colonial territorial laws the European refugee debate and migration narratives fictional debates on climate change contemporary feminist drama and classic 19th century legal narratives This volume includes two insightful analyses of poetic texts with a special focus on the fact that poetry has often been neglected within the field of law and literature research Special Focus editor Franziska Quabeck Westfälische Wilhelms Universität Münster Germany *Desire and Time in Modern English Fiction: 1919-2017* Richard Dellamora,2020-08-04 Beginning with Somerset Maugham s innovative sexually dissident South Seas novel and tales and Alfred Hitchcock s gay inflected revisiting of the Jack the Ripper sensation in silent film this book considers the continuing presence of the past in future oriented work of the 1930s and the Second World War by Sylvia Townsend Warner Virginia Woolf George Orwell and the playwright and novelist Patrick Hamilton The final three chapters carry the discussion to the present in analyses of works by lesbian postcolonial and gay authors such as Sarah Waters Amitav Ghosh and Alan Hollinghurst Focusing on questions about temporality and changes in gender and sexuality especially gay and lesbian straight and queer following the rejection of the Victorian patriarchal marriage model this study examines the continuing influence of late Victorian Aestheticist and Decadent culture in Modernist writing and its permutations in England

Decadent Conservatism Alex Murray, 2023-06-14 British Decadent literature was a radical attack on conventional morality and middle class taste its insistence on the autonomy of art and its exploration of sexuality dissipation and depravity at odds with the literary and social establishment Yet this counter cultural narrative has obscured the often reactionary and elitist tendencies of Decadent writers and artists of the fin de siècle Decadent Conservatism offers the first in depth examination of the intersection of Decadence and conservatism arguing that underpinning both was the desire to find alternatives to liberal modernity Both Decadents and conservatives turned to the past to uncover values and models of social organisation that could offer stability in a chaotic world From well known figures such as Oscar Wilde and W B Yeats through to the forgotten editors of short lived periodicals important female aesthetes such as Michael Field and politicians such as Arthur Balfour Decadent Conservatism challenges conventional understandings of the relationship between aesthetics politics and the past in late Victorian Britain Through a series of thematic chapters exploring the alternative communities created by little magazines the politics of Individualism investments in monarchy and religion Folk Decadence and jingoistic and nationalist responses to the Second Anglo Boer war this study offers a new and much messier picture of fin de siècle literary politics It will be of interest to those working on Victorian literature and modernism as well as social political and cultural history of the period 1880 1920

The Inequality of Pay Henry Phelps Brown, 1977 This book examines late nineteenth and early twentieth century literature written in England and Germany exploring the relationship between Orientalism Decadence and cosmopolitanism arguing that representations of the East played a critical role in the literary landscape of Decadence over this period

Modernist Poetry and the Limitations of Materialist Theory Charles Altieri, 2021-06-15 In *Modernist Poetry and the Limitations of Materialist Theory* Charles Altieri skillfully dissects the benefits and limitations of Materialist theory for works of art He argues that while Materialist theory can intensify our awareness of how art can foreground sensual dimensions of experience it does not yet serve as an adequate description of much of what we experience as mental activity especially in the domain of art which depends on active imaginations and constructive energies for which no Materialist theory is yet adequate He carefully shows how constructive imaginations operate in a range of modernist poetry that is especially attentive to the mind's powers because it provides alternatives to Impressionist sensibilities which thrive on Materialist modes of attention These modernists turned to versions of Hegel's idea of the inner sensuousness stressing how a work's very construction can provide different levels of sensuousness inseparable from the work of self consciousness

Handbook of the American Novel of the Twentieth and Twenty-First Centuries Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated

methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification Eliot Now Megan Quigley,David E. Chinitz,2024-07-25 Over a dozen new volumes of T S Eliot s poetry prose and letters have been published in the past decade This collection presents unabashedly fresh approaches to Eliot while simultaneously guiding readers through the new materials that are available for the first time outside of restricted archives Eliot the figurehead of literary modernism continues to be someone whom critics love to hate Misogynist Reactionary Anti Semite and readers love to devour Profound Revolutionary Resonant Why does one artist elicit such different responses Eliot Now collects new and established voices in Eliot studies integrating contemporary critical approaches with careful attention to the newly published materials Whether grappling with the controversial new two volume Poems narrating the experience of opening Eliot s letters in the Emily Hale papers until 2020 the most famous sealed archive in the world or rereading his works through ecocritical or trans studies lenses Eliot Now shows how this most effusively celebrated and heatedly criticized 20th century writer continues to change the way we read literature in the 21st century The collection concludes with six award winning contemporary poets considering the influence of The Waste Land on poetry today
