In Its Time Nancy Rehkugler, 2013-02-14 As she mourns her mother's death Delores Williams wonders how her life will change After the funeral she uncovers a mysterious collection in a safe deposit box a collection of papers and old photographs that raise questions about her past What secrets did her mother take to the grave Soon after Delores attends an art exhibit at the Everson Museum in Syracuse In the gallery Delores pores over artifacts that were removed from the attic of the Willard Psychiatric Center Here the lives of past patients are on display and Del is shocked to see a familiar face in one of the portraits In her confusion as she attempts to determine what to do next she stumbles into a church service There she meets Eli Fisher a pastor who offers help as she attempts to unravel her past As her investigation begins to consume her life Delores follows the tenuous trail of clues from Syracuse to the Mississippi Delta and eventually to Italy Her journey will help to reveal the shadowy truth that connects four generations of women each of whom dealt with trauma abuse and uncertainty in her own way Can she find the strength to rise above her family's past to build a new legacy of hope love and redemption
