Emancipating Andie English Edition:

Emancipating Andie Priscilla Glenn, 2013 Ever since the one time Andie Weber threw caution to the wind and paid the price for it she's learned that it's safer and smarter to live life playing by the rules Now she's got a great apartment a steady job and a wonderful boyfriend in Colin he's sweet stable and essentially perfect except maybe for the fact that his best friend is Chase Chase McGuire lives his carefree unstructured life strictly for himself Dripping sarcasm and oozing wit he refuses to censor his feelings or opinions for anyone making no apologies for either and wearing his abrasiveness like a badge of honor No one has ever gotten under Andie's skin the way Chase does and vice versa So when Andie and Chase find themselves forced to take a two day road trip together they are already dreading an inevitable all out war But as the trip progresses and the undeniable friction that has always defined their relationship slowly begins to wear away their preconceived notions of each other Andie and Chase discover they both have a lot to learn about life courage happiness and the age old battle
