FALLING ACTION

RESOLUTION

Max's father killed his mother when he was a small boy. He has been in prison ever since and is up for parole. One night when Max is Loretta, Kenny Keno, who has been in prison for a long time, tells him that he was critically injured. When Max says that he knows Kenny killed his mother, he goes into a rage almost killing both Max and Loretta. Kenny comes to the rescue just in time and outsmarts Kenny with a water gun!

Max's father is sent back to jail. However, their relief is short-lived. Freak suffers a seizure and is rushed to the hospital. Max learns that Freak's story about a "Bionic" body was just that - a story. He knows that he would not survive his condition, which is called Marfan syndrome. Before he passes away, he gives Max a blank notebook telling him to write about all their adventures together.

Max takes Freak's passing very hard. He is depressed for about a year. Finally, he summons the courage to take out the blank notebook that Freak gave him and begins to write. It is here when the reader realizes that the book we've been reading is just that: Max finally channeling his grief into writing about his and Freak's "unconquered" friendship and their epic adventures.
