**Freak the Mighty by Rodman Philbrick** Jean Jamieson,1998-12 New ways to teach reading writing and the love of literature Cover *Using Literature to Help Troubled Teenagers Cope with Health Issues* Cynthia Ann Bowman,2000-03-30 Today traditional illnesses and high risk behaviors of adolescents have become interrelated through the multitude of physical social and emotional changes young people experience Good literature which gives adolescents the truth has incredible power to heal and to renew This reference resource provides a link for teachers media specialists parents and other adults to those novels that can help adolescents struggling with health issues Educators and therapists explore novels where common health issues are addressed in ways to captivate teens Using fictional characters these experts provide guidance on encouraging adolescents to cope while improving their reading and writing skills With the advancement in medicine traditional types of health issues such as birth defects cancer and sensory impairment have shifted to more behavior related problems such as depression alcoholism and eating disorders All of these issues and others are examined from both a literary and psychological perspective in thirteen chapters that explore health issues through fiction Each chapter confronts a different health issue and is written by a literature specialist who has teamed up with a therapist In each novel these experts define the central character s struggle in coming to terms with an issue and growing in response to their difficulties Annotated bibliographies of other works both fiction and nonfiction explore these same issues give readers insight into helping teenagers with similar problems and provide the tools with which to get teenagers reading and addressing these problems

**Student Engagement is FUNdamental** Jane Feber,2013 Building a classroom community of students who are engaged and ready to learn takes time and effort So why not use hands on activities to build academic skills and student trust and rapport at the same time Jane Feber s award winning hands on approach to learning gives you ready to go activities that engage all learners and add academic muscle to your curriculum These classroom proven activities are fun and they are

all aligned to Common Core Standards Flexible and easy to do the projects are ready to go and fit easily into any teaching day and curriculum Feber s practical approach transforms inexpensive commonly found supplies into powerful learning tools that build rapport and academic skills across the curriculum **Improving Instruction** J. Casey Hurley,2021-10-08 This book provides examples of how K 12 teachers and other instructors improve their instruction Their stories illustrate that they do not follow the tenets of the social science improvement paradigm which was proposed by education professors in the 1950s and has been promoted by policymakers since the 1970s Instead these stories illustrate that teachers improve instruction by bringing the six virtues of the educated person to their dealings with students In other words their stories illustrate an aesthetic improvement paradigm Neo-Victorianism and Medievalism ,2024-04-30 Bringing together neo Victorian and medievalism scholars in dialogue with each other for the first time this collection of essays foregrounds issues common to both fields The Victorians reimagined the medieval era and post Victorian medievalism repurposes received nineteenth century tropes as do neo Victorian texts For example aesthetic movements such as Arts and Crafts which looked for inspiration in the medieval era are echoed by steampunk in its return to Victorian dress and technology Issues of gender identity sexuality imperialism and nostalgia arise in both neo Victorianism and medievalism and analysis of such texts is enriched and expanded by the interconnections between the two fields represented in this groundbreaking collection
