H. Richard Winn

French Lote 2012 Study Guide:

Pathways to Greatness for ELL Newcomers Michelle Yzquierdo, 2017-06-01 Newcomer ELLs English language learners face a complex and daunting set of challenges How can educators appropriately provide support to this population Based on research of the social emotional and academic needs of secondary immigrant students this book is comprised of strategies and techniques for content area teachers of newcomer ELLs Additionally campus and district leaders will gain practical advice about a systemic approach to meeting the needs of this ever increasing population Pathways to Greatness for ELL Newcomers A Comprehensive Guide for Schools and Teachers will highlight several components relevant to newcomer instruction including cultural proficiency second language acquisition strategies scheduling credits and effective content area instruction It includes over 30 activities for content area and ESL teachers of newcomers Understanding Epilepsy Vibhangini S. Wasade, Marianna V. Spanaki, 2019-11-21 A comprehensive accessible synthesis of current information on epilepsy for medical trainees and physicians preparing for board certification **Motivation to Learn Multiple Languages in Japan** Chika Takahashi, 2022-11-22 This book provides rare insights into motivation among extremely successful learners of English and languages other than English LOTE through the analysis of a longitudinal study and the examination of the factors involved in becoming multilingual in a non multilingual environment Based on sixteen interview sessions conducted over the course of nine years while the learners progressed from high school to the world of work this book offers the story of how two learners persist in English LOTE learning The study illuminates the long term processes through which the interviewees develop ideal English LOTE selves in an environment where multilingualism is not emphasized and where both English and LOTE can still be described as foreign languages Educators and researchers will learn from this study which stretches our understanding of motivation beyond the recent theorizing of L2 motivation and contributes to the limited research in long term motivational trajectories and LOTE learning motivation which is particularly scarce in non European contexts The book will be of interest not only to readers in Japan but also to those in other contexts as it offers an example of successful learners who go beyond the pragmatic and instrumentalist view of language learning to hold a more holistic view thus revealing the factors which can sustain multiple language learning even in foreign language contexts **Teaching Primary Years** Katherine Main, 2020-07-16 The primary years are recognised as a distinct period in a child s development with significant consequences for ongoing educational success During this critical time formal schooling and the associated activities introduce children to new and extended social roles where they learn to cooperate and collaborate with their peers and adults Children also begin to develop a sense of themselves and their competence in a range of domains including social academic sport and music This edited collection provides specialist guidance in developing curriculum pedagogy and assessment to meet the needs of primary years children The text begins by exploring the unique characteristics of this age group including cognitive social emotional and physical development It considers the expectations

of teachers including ethical and legal issues and guidance on how to develop positive learning spaces and collaborative approaches There is an exploration of the needs of the child including facilitating transition from the early years and into secondary school The text then considers the curriculum in depth including language and literacy mathematics and numeracy science and technology health and physical education and the humanities A focus on some of the key challenges in primary education bring the book to its conclusion including effectively harnessing digital technology developing age appropriate pedagogies practising differentiated learning and effective assessment Rich with insights from experts in the field and featuring case studies and practical examples throughout this is a key resource for both pre service and in service primary teachers Other professionals working with primary years students and parents will also benefit from engaging with this book
