Date: _____ Players Name: _____

The purpose of this evaluation is to provide coaches, parents, and players with an idea as to what players should be able to do AFTER playing at a particular level and BEFORE entering the next. At this point, a player should be ready to make the jump into the sophomore level and contribute. Just because a player has been an freshman and maybe had some success, doesn't mean the jump to sophomore is automatic. The items listed are just an approximation and are not to be taken as a definitive list to determine promotion to the next level.
