

## Literature Circle Guide to FRINDLE by Andrew Clements

### **Book Summary**

Mrs. Granger is notorious among all the fifth grade teachers — for being strict, yes, but mostly for her love of words and of the dictionary. Enter Nick Allen, who, after trying to trick Mrs. Granger into wasting time on the first day of school, has to prepare a report on the history of the dictionary. The research, along with a few other, lucky events, gives him an idea: What if he could invent a new word - call an ordinary ballpoint pen a *frindle*? His classmates love the idea, and soon the entire school plays along, much to the dismay of Mrs. Granger, who halfheartedly punishes the students for using *frindle*. Eventually, the word becomes so popular that people all over the world want to use it, and, eventually, it becomes part of the dictionary. Years later, after *frindle* has become a common part of the language, Mrs. Granger has a special surprise for the all-grown-up Nick, inventor of the word *frindle*.

### **Author Information**

Andrew Clements is a passionate advocate for books and reading. Clements attributes his interest to his parents, who were avid readers who shared their passion for books with their children, and to an elementary school librarian who “kept [him] well-stocked” in books. After majoring in English at Northwestern, Clements earned a master’s degree in Education and taught for seven years in both grade school and high school. After that experience, he moved into children’s publishing as an editor charged with acquisition; he also began translating and adapting foreign picture books. It wasn’t until he was 35 that he began to write his own books. Most of his work to date has been picture books, including books written for school reading programs and adaptations from a children’s television show, *Real Monsters*. *Frindle* was his first book for middlegrade readers, although he has recently published *The Landry News* for the same age group and is working on a series of middlegrade books for a publisher.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Frindle By Andrew Clements Literature Circle Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Frindle By Andrew Clements Literature Circle Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Frindle By Andrew Clements Literature Circle Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
