**on F. Scott Fitzgerald The Great Gatsby** Hayley Igarishi,2011-12-14 ABOUT THE BOOK F Scott Fitzgerald's grand story about disillusionment and hopeless love has charmed generations of readers and critics but perhaps The Great Gatsby's greatest fan was its author He told his editor I think my novel is about the best American novel ever written So Fitzgerald is not the most humble man but as the author of a novel which both chastises and celebrates humanity's vices that fact should not come as such a surprise The Great Gatsby though a rather slender book expounds upon larger than life flaws and mistakes of its characters It is a story of more than just people but of a country and a society lost amidst their own wealth searching for their individuality and salvation MEET THE AUTHOR Hayley Igarashi is a student at UC Davis preparing to graduate this summer with a degree in both history and philosophy She has been writing fictional short stories since she was a child and a couple of her pieces have even been published in small online magazines Only recently has she discovered how nice writing about real life can be a realization that took surprisingly long considering her background in history She likes to read and at the moment is most inspired by the writings of Kurt Vonnegut Jonathan Safran Foer Kazuo Ishiguro and because everyone needs a guilty pleasure George R R Martin When not studying for school she enjoys doing normal things like hanging out with friends and family and watching movies Items on her bucket list include sky diving running a marathon writing a full length novel and learning how to cook something that tastes good If you have a Facebook you should stop by and say hello Find her here <http://www.facebook.com/profile.php?id=1434740403> Teaching Hemingway's A Farewell to Arms Lisa Tyler,2008 Presents a collection of nuanced and insightful essays on teaching from authors with varied backgrounds including all levels of secondary and higher education This work offers practical and creative classroom strategies sample syllabi and other teaching tools It is suitable for teachers of Hemingway and the larger scholarly community as well **Summary of K.M. Weiland's Creating Character Arcs** Everest Media,2022-05-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Plot in its simplest form is all about the protagonist's thwarted goal He wants something and he can't have it so he keeps trying The Positive Change Arc is all about the protagonist's changing priorities He realizes the reason he isn't getting what he wants in the plot is because either he wants the wrong thing or his moral methods for achieving what he wants are all wrong 2 The Change Arc is about the Lie Your Character Believes It begins with your character being incomplete in some way and he must evolve into a better person because of it He must start out with a reason that makes the change necessary 3 Your character's Lie is a specific belief that you should be able to state in one short sentence It may include some qualifiers similar to Jane Eyre's 4 The Lie is the fundamental belief that prevents your character from moving on and living a happy life It is usually a product of the conflict and your character may be aware of the symptoms of the Lie in his life but he may not yet be able to recognize the Lie itself

**How to Write a Killer Essay: The Great Gatsby** Becky Czlapinski,2023-09-24 Are you struggling with an essay assignment for F Scott Fitzgerald's The Great Gatsby This guide will provide you with all the tools you need to understand and
